UNDERSTANDING YOUR OFFERING DOCUMENTS

We make your Offering Documents available to help you understand the Plan before you complete your Application. The Offering Documents consist of this Product Technical Brochure, and the Key Features Document, 'Plan Investments Brochure' and your personalised illustration (the 'Offering Documents').

You can view the Terms and Conditions applicable to a FOCUS Capital Redemption Plan on our Website at the following link: utmostinternational.com/wealth-solutions/our-wealth-solutions/our-solutions-rest-of-world/

Your Financial Adviser should be able to answer any questions or queries you have regarding the product or our Offering Documents. If not, you can contact us using the details at the end of this document.

References to 'we', 'us', 'our' or 'Utmost Worldwide' mean Utmost Worldwide Limited. References to 'you' or 'your' mean you, a prospective Planholder. We have written this Product Technical Brochure in the singular, the singular includes the plural and vice versa. Likewise, the masculine includes all other genders.

Capitalised words and phrases are defined terms or refer to section titles within your Offering Documents. When reviewing your Offering Documents, please refer to the Defined Terms and their explanations located at the end of this document to ensure that you understand each term and its meaning.

1. WHAT IS FOCUS?

FOCUS is a Regular Contribution unit-linked Capital Redemption Plan with a 99-year term. It provides a Maturity Benefit and is investment-linked enabling you to achieve capital growth on Contributions paid where your selected Plan Investments increase in value. The Plan Investments that are available to FOCUS have been specially selected by us with the objective of providing you with access to a range of lower cost investment funds that we believe will provide good value for money over the medium to long term. However, the value of your Plan ultimately depends on the performance of your Plan Investments, which cannot be guaranteed.

We use your Contributions to allocate Plan Units of your chosen Plan Investments to your Plan. The value of the Plan Units determines the value and benefits of your Plan.

You choose a Commitment Period that suits you, from a minimum of 5 years to a maximum of 15 years, and pay Contributions for this period with the aim of achieving a financial goal. Your Plan will begin on the Commencement Date which we will confirm in your Plan Schedule. Your Plan will continue until the Maturity Date, you surrender it or it terminates for any other reason. Your Plan is subject to fees, as specified or described in this document (see section 13 'What are the Fees?') and in your personalised illustration. You will be entitled to a Commitment Reward, equal to 5% of Regular Contributions paid, if you meet your commitment to the Plan.

Your Plan will consist of 100 separate but identical Segments. You cannot increase the number of Segments in your Plan following the Commencement Date. We divide the value of your Plan and benefits equally between each Segment. Allocation and switching will occur at Plan level and apply equally to each Segment. For administrative purposes, our communications refer to your Plan, which includes all Segments.

You can own a Plan if you are an individual aged 18 or more, a trustee acting on behalf of a trust or a company. Where there are two Planholders, you will own your Plan as joint-owners. Where a Plan is jointly-owned, both Planholders are jointly and severally responsible for complying with the Terms and Conditions of the Plan.

Contributions are payable in the Plan Currency and we pay out Plan benefits in the Plan Currency. You can choose your Plan Currency from the options set out in the Application. Once your Plan is in force for a least 12 months we allow you to change your Plan Currency. This is allowed once during the life of your Plan in return for a Change of Plan Currency Fee.

At the end of your Commitment Period, your Plan will continue without any obligation to pay further Contributions. Alternatively, you can send us a Written Request to extend your Commitment Period, known as a Recommitment (see section 15 'Options at the end of your Commitment Period'). If you meet our eligibility requirements at that time, you can also request an extension to your Plan Investment range.

Our clients buy FOCUS exclusively on the recommendation of their independent Financial Adviser. You should always carefully review the financial advice that you receive to make sure that FOCUS is the right Plan for you. You can view the Terms and Conditions on our Website at the following link: utmostinternational.com/wealth-solutions/our-wealth-solutions/our-solutions-rest-of-world/

2. WHAT YOU ARE COMMITTING TO?

By completing your Application you commit to:

- › provide complete and accurate information that is not misleading at all times;
- › pay Committed Contributions as agreed with us for the duration of your Commitment Period;
- › update us immediately if your personal circumstances change; and
- › comply with all other Terms and Conditions of this Plan.

If you do not meet these commitments, you may lose your entitlement to a Commitment Reward and you may not get back the full value of the Contributions that you have invested.

You must not omit or conceal any Material Fact. 'Material Facts' are facts that we would consider likely to influence our assessment of and decision to accept a contract or to make a benefit payment. If you are unsure whether a fact is a Material Fact, disclose it.

If you provide any incomplete, inaccurate or misleading information or fail to disclose any Material Facts, before and/or during the life of the Plan, this could result in us quoting wrong terms, rejecting, repudiating or reducing a claim or considering the Plan invalid.

3. WHAT IF I CHANGE MY MIND?

You can change your mind and cancel your Plan during the Cooling-off Period, provided that you have not requested any other payment from your Plan. You can cancel your Plan by sending us a Written Request within the Cooling-off Period. Your Welcome Pack will include detailed information of your cancellation rights. Your Plan will terminate when we receive your Written Request to cancel and on payment, all our liabilities under your Plan will cease.

If you cancel your Plan, we will return the Contribution you have paid less any External Bank Fees and there may be an adjustment for any downward movement in the value of Plan Units and any costs that we incur in the purchase and subsequent sale of Utmost Investments corresponding to the Plan Investments.

4. WHAT ARE THE RISKS?

Please read this section carefully in order to make sure that you know the risks associated with your Plan. We may provide further risk information during the life of your Plan, as appropriate. If you are unsure of the risks associated with your Plan or have any queries, please seek professional advice and/or speak to your Financial Adviser as appropriate.

The value of your Plan will fall and rise in line with the performance of your selected Plan Investments and their corresponding Utmost Investments. We determine the Plan's value based on the value we receive when selling the Utmost Investments corresponding to your selected Plan Investments. The value of the entire Plan may be at risk. It may be significantly less than the Contributions you pay and may not be sufficient for your individual needs. Investment involves risk. You are responsible for your investment decisions and you choose any Plan Investments entirely at your own risk.

Risks apply to any investments held directly or indirectly, for example through collective investment schemes or similar vehicles. You should evaluate the risks associated with any Plan Investment you consider selecting. You are responsible for your investment decisions and you choose any Plan Investments entirely at your own risk. These risks include, but are not limited to:

Investment returns risk: There are no guarantees given regarding the value of your Plan. The value of any investment as well as the income it produces, can vary. This is true whether investments are held directly or indirectly, for example through mutual funds or similar vehicles. Investment returns cannot be guaranteed and past performance is not indicative of future performance. You should be aware that the value of your Plan Investments will fall and rise.

Investment term risk: You should not consider the Plan Investments of this Plan as suitable for short-term investment. FOCUS is Capital Redemption Plan and is designed to be a long term contract. As a result, if you surrender your Plan before the end of your Commitment Period, you increase the risk that your Surrender Value will be significantly less than the Contributions you have contributed and may not be sufficient for your individual needs.

Exchange rate risk: If a Plan Investment is denominated in a currency other than the Plan Currency, a movement of exchange rates may have an independent effect on the value of your Plan Investments, particularly a movement will affect the gain or loss otherwise experienced by the Plan. The value of your Plan may fall or rise as a result of exchange rate fluctuations.

Credit / default risk: For reasons that are outside of our control, Utmost Investments can become illiquid or the pricing and/or trading may be suspended. If this occurs, we may not be able to value the corresponding Plan Investments. As a result, we will not allocate or deduct Plan Units or pay out Plan benefits or permit switches of Plan Investments directly corresponding to the affected Utmost Investment(s) during the period of suspension.

To allow us to calculate the value of your Plan, we may, at our sole discretion, adjust or estimate the Bid Price on a prudent basis. During the life of the Plan, when the suspension of the Utmost Investment lifts, any value restored will automatically accrue to the Plan.

Interest rate fluctuation risk: Although interest is not usually payable on payments due from your Plan, the prices of certain investments have a tendency to be sensitive to interest rate fluctuations. Unexpected fluctuations in interest rates could cause the value of your Plan Investments as well as the income produced to go up or down in value. The value of your Plan may fall or rise as a result of interest rate fluctuations.

Maturity Benefit risk: If your Plan is fully surrendered or terminated (other than during the Cooling-off Period), the Surrender Value of your Plan is based on the proceeds from the sale of the Utmost Investments corresponding to your Plan Investments less all fees accrued. As the Maturity Benefit is subject to investment risks and market fluctuations, it may be lower than the Contributions that you have contributed and may not be enough to meet your needs or the needs of your successors, as applicable.

Tax rates and concession risk: Tax rates and concessions may also change and you should take advice in respect to these issues.

Utmost Worldwide Investment Service risk or third-party investment advisers: The investment risk associated with each Plan Investment is born entirely by you, even where you engage the Utmost Worldwide Investment Service or another third party to make investment decisions on your behalf.

The above list is not exhaustive. There may be other risks associated with your Plan and Plan Investments. You should take investment advice from a suitably qualified and regulated investment adviser.

During the life of the Plan, Plan Fees will continue to apply regardless of the performance of the Plan Investments, including during a Take-a-Break period. If you surrender your Plan during your Commitment Period, we will also deduct the total Regular Contribution Establishment Fees due to us up to the end of your Commitment Period (see section 13 'What are the Fees?').

We calculate your Regular Contribution Establishment Fee based on the highest level of Committed Contribution that you commit to pay. This means that if you increase the level of your Regular Contribution payments, there will be a corresponding increase in the Regular Contribution Establishment Fee. However, if you reduce the level of your Regular Contribution payment, there will be no corresponding reduction in the Regular Contribution Establishment Fee (see section 13 'What are the Fees?').

5. WHAT ARE THE PLAN BENEFITS?

5.1 Maturity Benefit

We will pay a Maturity Benefit if the Plan remains in force until the Maturity Date. The Maturity Benefit is the Surrender Value of your Plan, as calculated at the Maturity Date, plus a fixed benefit amount, as specified on your Plan Schedule. The Maturity Benefit is payable to living Planholders or to the legal estate of the last surviving Planholder, as applicable.

5.2 Commitment Reward

For each Commitment Period that you complete, provided you meet your commitment to the Plan (including paying your Committed Contribution for the duration of your Commitment Period) you will be entitled to a Commitment Reward of 5% of Committed Contributions paid by you during that Commitment Period (see section 2 'What you are Committing to?'). We allocate the Commitment Reward proportionately to your existing Plan Investments at the next available Bid Price at the end of your Commitment Period.

If you make withdrawals from your Plan during the Commitment Period, your Commitment Reward entitlement will be affected. Your Commitment Reward entitlement will reduce to 2.5% if your total Partial Withdrawals amount to less than:

10% of [Committed Contribution x Regular Contribution Frequency as committed at the Commencement Date] x Commitment Period

You forfeit your Commitment Reward if your total Partial Withdrawals amount to more than this or where you do not meet your commitment to the Plan.

If you take up the Take-a-Break option, your Commitment Reward is protected for the duration of the Take-a-Break period. Please refer to 'Take-a-Break' in section 8 'What Happens if I Cannot Pay my Contributions?' for further information.

6. PLANHOLDER PROTECTION

Planholders with Utmost Worldwide benefit from Guernsey's 'policyholder protection regime' under the licensing conditions imposed by the Guernsey Financial Services Commission ("GFSC") under the Insurance Business (Bailiwick of Guernsey) Law, 2002 (as amended).

The aim of the regime is to protect Planholders in the event of an insurer getting into financial difficulty. The GFSC requires insurers to place at least 90% of the assets that support all its liabilities to Planholders on trust with an approved Guernsey based independent trustee. The trustee may hold these assets directly in its name, with an appointed nominee or through a custodian. These assets are not available to meet any other obligations of Utmost Worldwide and are held on trust for the Planholders.

7. HOW DO I PAY CONTRIBUTIONS?

You choose a Commitment Period, Regular Contribution amount and payment frequency. You commit to pay Regular Contributions at that level for the entire Commitment Period (your 'Committed Contribution'). You can pay your Contributions by way of standing order, electronic transfer or credit or debit card. A Card Payment Fee will apply to payments made by credit or debit card (see section 13 'What are the Fees?').

7.1 Commitment Period Options

You can select a Commitment Period available to you from a minimum of 5 years up to a maximum of 15 years. Your Commitment Period must end before the 75th birthday of the youngest Planholder.

7.2 Committed Contribution

You select your Regular Contribution amount and payment frequency. During the life of the Plan, you can increase the amount and change the frequency of your Regular Contribution payments. The minimum increase we will accept is 5% of the Regular Contribution payment you pay at that time. The Commitment Period for the increase is equal to your remaining Commitment Period.

If we accept your Written Request, we will issue you an Endorsement to reflect the increase.

You should be sure that you can pay the increased Regular Contribution amount for the remaining Commitment Period. The Regular Contribution increase will result in an increase in your monthly Regular Contribution Establishment Fee payable for the remainder of the Commitment Period (see section 13 'What are the Fees?'). If you later reduce your Regular Contribution or stop paying Regular Contributions, there is no corresponding reduction in the Regular Contribution Establishment Fee. If your Plan terminates (other than on cooling-off) during a Commitment Period we will deduct the full balance of this Fee in calculating the Surrender Value (see section 13 'What are the Fees?').

The minimum Regular Contribution varies by Commitment Period, Plan Currency and payment frequency, as follows:

COMMITMENT PERIOD	MONTHLY	QUARTERLY	HALF-YEARLY	ANNUALLY
UNITED STATES DOLLAR				
5 to 9 Years	750.00	2,250.00	4,500.00	9,000.00

10 to 15 Years	725.00	2,175.00	4,350.00	8,700.00

7.3 Single Contributions

You can also send us a Written Request to make additional Single Contribution payments into your Plan at any time. The minimum Single Contribution amount that we will accept from you is as follows:

PLAN CURRENCY	MINIMUM SINGLE CONTRIBUTION
USD	2,000.00
EUR	1,800.00
GBP	1,500.00
HKD	16,000.00
SGD	2,800.00
JPY	222,000
AUD	2,900.00

8. WHAT HAPPENS IF I CANNOT PAY MY CONTRIBUTIONS?

To optimise your Plan performance, you should maintain your Committed Contribution throughout the full Commitment Period. However, we know that your circumstances can change so, in times of difficulty, the options below are available to you. These options are likely to reduce the potential for Plan growth. Where you select one of these options, Plan Fees will continue to apply at the original levels and could adversely affect the overall value and return of your Plan.

If you reduce your Regular Contribution or make your Plan paid-up, you will lose your Commitment Reward. In addition, there is no corresponding reduction in your Regular Contribution Establishment Fee and we will deduct the full balance of this fee in calculating the Surrender Value if your Plan terminates (other than on cooling-off) during a Commitment Period (see section 13 'What are the Fees?').

8.1 Take-a-Break - Suspend your Committed Contribution

During a 'Take-a-Break' period, you can take a break from paying Committed Contributions and we protect your Commitment Reward. This option is available to request from six months of your Commencement Date and you can benefit from up to three Take-a-Break periods during your Commitment Period; limited to the total Take-a-Break period you have available. For each year of your Commitment Period, you are entitled to one month of Take-a-Break period.

For example, during a 12 year Commitment Period the Take-a-Break periods taken cannot exceed 12 months in total. Unused Take-a-Break periods do not carry forward to a future Commitment Period where you re-commit.

The Take-a-Break option does not cover Committed Contributions due before our acceptance of your Written Request. During a Take-a-Break period, fees continue to apply and will be deducted from the Plan. When your Take-a-Break period ends, you must recommence paying your Committed Contribution on the next applicable Due Date.

You cannot Take-a-Break if your Plan will fall below the minimum Surrender Value before, during or immediately following the Take-a-Break period (see section 12 'Understanding your Investment Value and Surrender Value').

8.2 Reducing your Regular Contribution

You can send us a Written Request to reduce your Regular Contribution from six months after your Plan's Commencement Date. Your Regular Contribution cannot fall below the minimum Regular Contribution level relevant to your Plan Currency and Commitment Period (see section 7 'How Do I Pay Contributions?') and the minimum reduction that you can request is as follows:

PLAN CURRENCY	MINIMUM REDUCTION
USD	250.00
EUR	225.00
GBP	187.50
HKD	2,000.00
SGD	350.00
JPY	27,750
AUD	362.50

If accepted, we will issue you an Endorsement to reflect the reduction. The Regular Contribution reduction will apply from the next available Due Date, after we have accepted and processed your Written Request.

8.3 Making your Plan Paid-Up During the Commitment Period

If you cannot fulfil your Committed Contribution payment obligations, you can send us a Written Request that we change your Plan status to paid-up. Once your Plan's status is changed, Committed Contributions will no longer fall due. Fees will continue to apply as described in section 13 'What are the Fees?' and in your personalised illustration.

9. WHAT HAPPENS IF I DO NOT PAY MY CONTRIBUTIONS?

9.1 Arrears

If you do not pay a Committed Contribution within 30 days of the Due Date, your Plan will fall into arrears. Until you have paid all Committed Contributions due, or until we change your Plan status to paid-up, or until we Lapse your Plan (see below), your Plan will remain in arrears. You should avoid falling into arrears as this could mean that the overall Fees of the Plan become disproportionately high against the value of Committed Contributions that you have invested.

9.2 When we Make your Plan Paid-Up

Where you have not paid a Committed Contribution in a 100-day period and where we do not receive an amount to clear the arrears within the 90-day period since your Plan fell into arrears, your Plan status will change to paid-up. Once your status is changed, Committed Contributions will no longer fall due. Fees will continue to apply as described in section 13 'What are the Fees?' and/or your personalised illustration. You should avoid your Plan becoming paid-up as the overall fees payable when your Plan becomes paid-up could become disproportionately high against the value of Committed Contributions that you have invested.

9.3 Lapse

If your Plan's Surrender Value falls below the minimum Surrender Value payable (see below), and Regular Contribution payments have ceased, your Plan will Lapse without value.

PLAN CURRENCY	SURRENDER VALUE PAYABLE
USD	250.00
EUR	225.00
GBP	187.50
HKD	2,000.00
SGD	350.00
JPY	27,750
AUD	362.50

9.4 Reinstatement of a Lapsed or Paid-Up Plan

Where you have paid all Committed Contributions due, you can send us a Written Request to reinstate your Plan from a Lapse or paid-up status. We will reject your Written Request if we receive it more than 349 days after the date you first missed a Committed Contribution. You cannot reinstate a terminated Plan.

If you reduce your Regular Contribution or make your Plan paid-up, there is no corresponding reduction in your Regular Contribution Establishment Fee. If your Plan terminates (other than on cooling-off) during a Commitment Period we will deduct the full balance of this fee in calculating the Surrender Value (see section 13 'What are the Fees?').

10. WHAT ARE PLAN INVESTMENTS?

In your Application, you can select up to 10 Plan Investments. You select these from the list offered in our 'Plan Investments Brochure'. Before selecting a Plan Investment, you should seek professional advice. We use Plan Investments to calculate the Investment Value and benefits provided under the terms of your Plan. You do not own or have any rights of ownership of the corresponding Utmost Investments, which are held in trust to cover our liabilities to you and other Planholders. You can increase the number of Plan Investments to a maximum of 20 by switching or using the contribution redirection facility. We divide your Plan Investments into Plan Units for administration purposes.

You can engage the Utmost Worldwide Investment Service (see section 18 'Utmost Worldwide Investment Service Conditions'), or nominate a third party, to select Plan Investments on your behalf. The Utmost Worldwide Investment Service will select Plan Investments in line with your selected investment strategy; please see our 'Plan Investments Brochure' for further details. An Elective Plan Fee applies for this service (see section 13 'What are the Fees?').

The investment risk associated with each Plan Investment is borne entirely by you. You are solely responsible for selecting your Plan Investments and Plan Unit allocation, even where you engage the Utmost Worldwide Investment Service or nominate a third party to select and/or allocate Plan Units on your behalf. You should review the prospectus and/or offering documentation of each Utmost Investment corresponding to your selected Plan Investments to ensure that each Plan Investment meets your investment objectives and attitude to risk.

11. HOW ARE MY CONTRIBUTIONS ALLOCATED TO PLAN INVESTMENTS?

Your Allocated Contribution is the amount we allocate from your Contribution to Plan Units. It is the Contribution less any External Bank Fees and/or our Card Payment Fee, if applicable. For Single Contributions, it is also less the Single Contribution Establishment Fee. Allocated Contributions are 100% allocated to your selected Plan Investments in the proportions indicated by you. You can only indicate a maximum of 10 Plan Investments for your Allocated Contribution, even if your Plan holds more than 10 Plan Investments due to 'switching'.

Where necessary, the relevant portion of the Allocated Contribution is first converted to the currency of the Plan Investment, using a commercial rate of exchange (see section 19 'Important Notes'). When selecting your Plan Investments for your Allocated Contribution, you need to ensure that the amount to allocate to each Plan Investment is above the following minimums:

PLAN CURRENCY	USD	EUR	GBP	HKD	SGD	JPY	AUD
MONTHLY	50.00	45.00	37.50	400.00	70.00	5,550	72.50
QUARTERLY	150.00	135.00	112.50	1,200.00	210.00	16,650	217.50
HALF-YEARLY	300.00	270.00	225.00	2,400.00	420.00	33,300	435.00
ANNUALLY	600.00	540.00	450.00	4,800.00	840.00	66,600	870.00
SINGLE CONTRIBUTION	600.00	540.00	450.00	4,800.00	840.00	66,600	870.00

To manage our liabilities to you, when we allocate Plan Units of a Plan Investment to your Plan, we will hold matching Utmost Investments in equivalent values. You do not have any rights of ownership of the corresponding Utmost Investments, which are held in trust to cover our liabilities to you and other Planholders (see section 6 'Planholder Protection').

You can send us a Written Request to redirect your Regular Contribution allocation to alternative Plan Investments at any time. In addition, following a switch of Plan Investments, we will allocate replacement Plan Units to your Plan in line with your switch instructions.

11.1 The Cost of a Plan Unit

This is the total price that you pay for each Plan Unit, also referred to as the Allocation Price, and comprises of the published offer price of the corresponding Utmost Investment plus any fees, taxes or levies that we incur in purchasing the Utmost Investment that is not otherwise included in its published offer price.

11.2 The Value of a Plan Unit

The value of a Plan Unit is referred to as the Bid Price and comprises of the published bid price of the corresponding Utmost Investment less any fees, taxes or levies that we incur in selling the Utmost Investment that is not otherwise included in its published bid price.

11.3 When we Deduct Plan Units

Plan Unit deductions are made by us to pay all fees that are payable under the Plan and during switch transactions, withdrawals, on termination or following a claim for Maturity Benefit.

11.4 Switching your Plan Units between Plan Investments ('Switching')

You can send us a Written Request to switch the value of Plan Units in one Plan Investment to another. We will reject or delay a switch where we cannot buy or sell corresponding Utmost Investments. If accepted, we will process the deduction of the existing Plan Units on the next available Dealing Date

following our acceptance of the request and the completion of any outstanding transactions affecting the Plan Investment. We process Plan transactions individually and in the order in which your Written Requests are accepted.

11.5 Extended Plan Investment Range

If, after the end of your Commitment Period, you choose the option to extend your Plan Investment range (see section 15.2 'Plan Investment Range Extension') you will be able to select a wider range of Plan Investments, which correspond to a wider range of acceptable Utmost Investments. This includes cash, exchange traded securities and collective investment vehicles.

11.6 Utmost Investment Dividends

Dividends received by us in relation to Utmost Investments are passed on to Planholders in proportion to their Plan Investments. We allocate the net amount of a dividend received in respect of an Utmost Investment to the corresponding Plan Investment as Plan Units. If we cannot allocate Plan Units to the Plan Investment, for any reason, we will apply the net amount to another Plan Investment you hold, as determined by us at our sole discretion.

We do not notify you when Plan Units in respect of dividends are applied to your Plan. They will however be visible to you via your Online Service Centre account.

12. UNDERSTANDING YOUR INVESTMENT VALUE AND SURRENDER VALUE

The value of your Plan can fall because of a number of factors, including but not limited to Partial Withdrawals, deduction of fees, currency exchange fluctuations and/or a fall in the value of your Plan Investments. The value of your Plan is closely linked to a wide range of investment risks and your capital is at risk.

12.1 Investment Value

The Investment Value of your Plan forms the basis for calculating the value of Plan benefits and certain Plan Fees.

The Investment Value is the cumulative value in the Plan Currency of the Plan Units attached to your Plan on a given day. To calculate the Investment Value we multiply the Plan Units in each Plan Investment by their prevailing Bid Price and convert each to the Plan Currency before adding them together (see section 19 'Important Notes').

12.2 Surrender Value

This is the amount, if any, you receive when your Plan is fully surrendered or terminated, other than during the Cooling-off Period or on payment of the Maturity Benefit. The Surrender Value of your Plan is the Investment Value less all fees accrued. Fees accrued will include prorated monthly fees for the period of the Plan Month elapsed.

The actual Surrender Value of your Plan cannot be finally determined until we have received the proceeds from the sale of Utmost Investments corresponding to your Plan Investment holdings. You can obtain an indicative Surrender Value at any time using the Online Service Centre.

If you surrender your Plan during your Commitment Period, we will deduct the full balance of Regular Contribution Establishment Fees due to us up to the end of your Commitment Period in calculating your Surrender Value (see section 13 'What are the Fees?'). This means that you may receive significantly less than the Investment Value of your Plan and you may not receive back the full value of the Contributions that you have invested.

Minimum Surrender Value

The minimum Surrender Value is as follows:

PLAN CURRENCY	MINIMUM SURRENDER VALUE
USD	1,500.00
EUR	1,350.00
GBP	1,125.00
HKD	12,000.00
SGD	2,100.00
JPY	166,500
AUD	2,175.00

We may terminate your Plan if Regular Contribution payments stop and the Surrender Value falls below the minimum Surrender Value. If we terminate your Plan in this circumstance, we will pay out the Surrender Value where it is at least equal to the minimum surrender payment, relevant to your Plan Currency (see section 14 'How Can I Access my Money?').

13. WHAT ARE THE FEES?

Unless stated otherwise, we deduct all fees monthly, at the end of each Plan Month.

We deduct fixed monetary fees proportionately across Plan Investments using their last available Bid Price on the date of fee application. Alternatively we deduct Plan Unit fees as a percentage of the Plan Units held at the end of the Plan Month, before the deduction of any other fees. If your Plan terminates (other than on cooling-off) we deduct any applicable monthly fees pro rata when calculating the Surrender Value. Where a transaction is in progress and a monetary amount has not been attributed to Plan Units and is held in suspense, fees which are a percentage of Plan Units cannot be applied to it. As a result, we will apply an equivalent fee to the monetary amount held in suspense.

This document together with your personalised illustration provide full details of the fees that will apply to you and their rates.

Distribution Costs

Your Financial Adviser is a licensed intermediary independent of Utmost Worldwide Limited who provides you with the initial and ongoing advice in respect of FOCUS. Commission will be paid upfront and on an ongoing basis to your Financial Adviser while your Plan continues to be in force. This is the Distribution Cost of your Plan. The Distribution Cost of your Plan is disclosed within your personalised illustration.

Utmost Worldwide will pay additional Distribution Costs in the following circumstances:

- › if you increase the Regular Contribution;
- › if you make a Single Contribution payment;
- › if you commit to an additional Commitment Period at or after the end of the current one; and
- › if you elect to extend the Plan Investment range at or after the end of the Commitment Period.

We recover the Distribution Costs from specific fees, as described below.

13.1 Plan Fees

Regular Contribution Establishment Fee

This fee covers the set-up costs of your Plan including the initial Distribution Cost paid to your Financial Adviser, as applicable and as outlined in your personalised illustration. For each Commitment Period you contract with us, we calculate a fixed monthly Regular Contribution Establishment Fee. It ceases to apply at the end of the Commitment Period. An increase in the fee will apply for each subsequent Regular Contribution increase from the end of the Plan Month in which the increase occurs. We specify the monthly Regular Contribution Establishment Fee in your personalised illustration. If, on or after the end of the existing Commitment Period, you elect to recommit to a new Commitment Period, a fresh Establishment Fee will apply monthly during that Commitment Period. We will specify the new monthly amount in the Endorsement to your Plan, issued at that time (see section 15 'Options at the end of your Commitment Period').

If your Plan terminates (other than on cooling-off) during a Commitment Period we will deduct the full balance of this fee in calculating the Surrender Value. The Surrender Value of your Plan may therefore be significantly less than the Investment Value of your Plan.

Single Contribution Establishment Fee

If you pay a Single Contribution, a Single Contribution Establishment Fee will apply, which relates to the Distribution Cost paid by us to your Financial Adviser. We apply the fee as a percentage deduction from your Single Contribution allocation at the rate specified in your personalised illustration.

Adviser Fee

During the life of your Plan, we may deduct a monthly Adviser Fee as a percentage of Plan Units which relates to the ongoing Distribution Cost paid by us to your Financial Adviser. The Adviser Fee can be up to a maximum of 1% p.a. of the value of Plan Units and the rate must be agreed in writing between you and your Financial Adviser. The combined rate of the Adviser Fee, Investment Adviser Fee and any elective or third-party investment service fee are subject to an overall maximum of 1% p.a. of the value of Plan Units. If applicable to your Plan, we specify the fee rate in your personalised illustration.

Investment Adviser Fee

During the life of your Plan, we may deduct a monthly Investment Adviser Fee as a percentage of Plan Units which relates to the ongoing provision of investment advice paid by us to your investment adviser. The Investment Adviser Fee can be up to a maximum of 1% p.a. of the value of Plan Units and the rate must be agreed in writing between you and your Financial Adviser. The combined rate of the Investment Adviser Fee, Adviser Fee and any elective or third-party investment service fee are subject to an overall maximum of

1% p.a. of the value of Plan Units. If applicable to your Plan, we specify the fee rate in your personalised illustration.

Administration Fee

During the life of your Plan, to cover the ongoing administration of your Plan, we deduct an Administration Fee as a percentage of Plan Units. We specify the fee rate in your personalised illustration.

Maintenance Fee

During the life of your Plan, we deduct a fixed monthly Maintenance Fee. We waive the Maintenance Fee when your Regular Contribution and/or the Investment Value are above the qualifying levels. We specify the Maintenance Fee amount and the circumstances where we waive the fee in your personalised illustration.

13.2 Elective Plan Fees

Card Payment Fee

If you choose to pay a Contribution by credit or debit card, a Card Payment Fee will apply at the rate specified in your personalised illustration. We apply the fee as a percentage deduction from each Contribution payment you make by card.

Change of Plan Currency Fee

If you change your Plan Currency, we will deduct a one-off monetary fee from your Plan, as specified in your personalised illustration.

Foreign Exchange Fee

We will use a commercial rate of exchange where we convert money from one currency to another as part of processing a Plan transaction or value calculation. The commercial rate of exchange will be equal to the prevailing market rate plus our Foreign Exchange Fee of 0.5%.

Worked example

If the prevailing market rate is USD1 = EUR0.90, then we would convert USD100 as follows:

$$\text{USD100} \times 0.90 \times (1 - 0.5\%) = \text{EUR89.55}$$

Utmost Worldwide Investment Service Fee

If you select the Utmost Worldwide Investment Service, we deduct a monthly fee as a percentage of Plan Units. If applicable to you, we specify the fee rate in your personalised illustration. If you start or stop using the service during a Plan Month, we deduct the Utmost Worldwide Investment Service Fee prorated as applicable.

Manual Processing Fee

We will apply a Manual Processing Fee where a service request from you leads to unanticipated or excessive manual work effort. The amount of the fee will be such that it covers the cost of the service that you request. We will advise you of and ask you to accept the Manual Processing Fee before carrying out your request.

13.3 Fees Related to Plan Investments

Underlying fund managers of Utmost Investments will levy their own fees such as annual management fees, performance fees and custody fees. These are not deducted directly from your Plan, but they are typical costs within Utmost Investments and they are reflected in the Bid Price of the corresponding Plan Investments. For details of these fees, please refer to the prospectus and/or offering documents of the Utmost Investments. These documents are available from us, on request.

13.4 Third-Party Fees

You can send us a Written Request for us to pay from your Plan Units any Third-Party Fees you have agreed with a third party, such as trustee fees or investment advice or investment management fees. We reserve the right to reject your request, or, if accepted, cancel any Third-Party Fee payment for any reason at our sole discretion. If accepted, we treat a Third-Party Fee payment as a Partial Withdrawal from your Plan. This type of Partial Withdrawal will not affect your Commitment Reward.

External Bank Fees

External Bank Fees also constitute Third-Party Fees. These can apply to Contribution payments made by you or to payments made from your Plan by us and are applied by the sending bank and/or the receiving bank. It is the net Contribution received by us, after any such bank fees, that we use to determine your Allocated Contribution. Regarding payments made from your Plan by us (for example when you make a withdrawal or when we send you a benefit payment), our bank (the sending bank) charges us a variable fee, the amount of which depends on the payment type and currency. As a result, we deduct from the payment made to you a fixed fee in your Plan Currency of USD15.00 / EUR13.50 / GBP11.25 / HKD120.00 / SGD21.00 / JPY1,665 / AUD21.75.

13.5 Amendment to Fixed Fees

In consultation with our appointed actuary, we will review the level of our fixed monetary fees from time to time. In reviewing each fixed fee, we will have regard to retail price index inflation in jurisdictions where we carry out business, including Guernsey, and any reasonably incurred increase to our administration expenses since the last amendment to the fee. We reserve the right to amend fees accordingly. Where we do not apply an increase to a fixed fee in a particular year, we will not be prohibited from applying a cumulative increase in the following or any subsequent year. This means that where an increase is applied, it may take account of inflation and/or increases in expenses over a number of years.

14. HOW CAN I ACCESS MY MONEY?

14.1 Surrender

You can send us a Written Request to surrender and terminate your Plan in full at any time (see section 12 'Understanding your Investment Value and Surrender Value'). The minimum Surrender Value that we will pay out is as follows:

PLAN CURRENCY	SURRENDER VALUE PAYABLE
USD	250.00
EUR	225.00
GBP	187.50
HKD	2,000.00
SGD	350.00
JPY	27,750
AUD	362.50

If the Surrender Value is less than this, following the deduction of fees due on full surrender (see section 13 'What are the Fees?') there will be no payment due to you. If you surrender your Plan within your Commitment Period, you will forfeit your Commitment Reward (see section 5 'What are the Plan Benefits?').

If you surrender your Plan during your Commitment Period, we will deduct the full balance of Regular Contribution Establishment Fees due to us up to the end of your Commitment Period in calculating your Surrender Value (see section 13 'What are the Fees?'). This means that you may receive significantly less than the Investment Value of your Plan and you may not receive back the full value of the Contributions that you have invested.

14.2 Partial Withdrawal

We have designed FOCUS so that you remain invested for the duration of your Commitment Period in order to optimise your Plan performance. You will break your commitment to the Plan by making a Partial Withdrawal during your Commitment Period and this will negatively affect your Commitment Reward.

If absolutely necessary, from six months after the Commencement Date, you can make a Written Request for a single Partial Withdrawal. Please note that in doing so, depending on the amount you withdraw, this will lead to your Commitment Reward entitlement reducing to 2.5% of Regular Contributions paid or being forfeit entirely (see section 5 'What are the Plan Benefits?'). You can structure a Partial Withdrawal as a deduction taken equally across all Segments or as a full withdrawal of individual Segments. A Segment withdrawal is treated by us in the same way as a Partial Withdrawal, with the same Terms and Conditions being applicable.

Following the end of your Commitment Period, you can make a Written Request to make a single Partial Withdrawal without these risks and you can also make a Written Request to make fixed regular Partial Withdrawals which can be monthly, quarterly, half-yearly or annually.

We will deduct the Partial Withdrawal amount proportionally from your existing Plan Investments unless you direct us to deduct a single Partial Withdrawal from specific Plan Investments. In order for a Partial Withdrawal payment to be made, the Partial Withdrawal amount must meet the minimum permitted Partial Withdrawal amount, as follows:

PLAN CURRENCY	SINGLE WITHDRAWAL	REGULAR WITHDRAWAL
USD	750.00	75.00
EUR	675.00	67.50
GBP	562.50	56.25
HKD	6,000.00	600.00
SGD	1,050.00	105.00
JPY	83,250	8,325
AUD	1,087.50	108.75

If you make a Partial Withdrawal from your Plan, there is no corresponding reduction in the fees you will pay to us.

15. OPTIONS AT THE END OF YOUR COMMITMENT PERIOD

When your Commitment Period ends, we will change your Plan status to paid-up. The following options will then be available to you:

- › do nothing, keep your Plan and continue without any Committed Contribution obligations. You remain free to pay Contributions which will be treated as Single Contributions;
- › seek a further Commitment Period for Regular Contribution payment (see section 15.1 'Recommitment' below); or
- › if your Plan has sufficient value, you can enter a permanent paid-up state and request an extension to your Plan Investment range.

15.1 Recommitment

On or after the end of the existing Commitment Period, you can send us a Written Request to recommit to a new Commitment Period. If you recommit, you must pay a further Committed Contribution during the new Commitment Period.

In return for entering into a new Commitment Period, you will qualify for a new Commitment Reward payable at the end of that Commitment Period if you meet the associated conditions (see section 5 'What are the Plan Benefits?'). We will issue an Endorsement to your Plan confirming the changes to your Plan including your new Regular Contribution Establishment Fee. All other fees will apply as described in the 'What are the Fees?' section and personalised illustration, as applicable.

15.2 Plan Investment Range Extension

On or after the end of the existing Commitment Period, you can send us a Written Request to enter into a permanent paid-up state and extend your Plan Investment range such that you can hold Plan Investments corresponding to a wider range of acceptable Utmost Investments; including cash, securities and collective investment vehicles. In the event that your request is accepted and your Plan Investment range is extended, new or amended fees will apply to your Plan in addition to new investment-related conditions. You must agree to these new or amended fees and conditions before your Written Request can be accepted.

16. HOW WILL MY PLAN COME TO AN END?

Your Plan will come to an end in one of the following scenarios:

- › following cancellation of your Plan during the Cooling-off Period (see section 3 'What if I Change my Mind?');
- › following the Surrender of your Plan, whether during or after your Commitment Period; in which case we will pay you the Surrender Value. If you surrender your Plan during a Commitment Period, we will deduct the remaining Regular Contribution Establishment Fees due to us up to the end of your Commitment Period;
- › on the Maturity Date, and we will pay you your Maturity Benefit;
- › where Committed Contribution payments are not being made and we determine that your Surrender Value is less than the minimum Surrender payment (see section 14 'How Can I Access my Money?') relevant to your Plan Currency, or
- › we decide to terminate your Plan for any reason following the Lapse of the Plan.

At our sole discretion, we may terminate your Plan if Regular Contribution payments stop and your indicative Surrender Value falls below the minimum Surrender Value (see section 12 'Understanding your Investment Value and Surrender Value'). In addition, we can terminate your Plan at any time to comply with applicable laws and regulations, or, where we consider, at our sole discretion, that there is an unacceptable risk of money laundering or other financial crime.

All our liabilities under the Plan will end when we confirm your Plan termination or, if later, following discharge of your Plan proceeds, if any.

17. HOW WILL WE COMMUNICATE WITH EACH OTHER?

17.1 Online Service Centre

You will be set up on our 'Online Service Centre' when we receive your Application. This will give you immediate and secure access to your Plan information. We will use your secure account on the Online Service Centre to communicate and share information with you including your Welcome Pack, Written Notices, Plan Statements and Endorsements. You can use the Online Service Centre to access Plan information including up-to-date valuation and transaction statements, and to send us certain Written Requests.

We do not accept responsibility or liability to any person or to any extent for losses incurred in reliance on any incorrect or inaccurate valuations provided on our Online Service Centre, except in the case of negligence or wilful misconduct on our part.

17.2 Communicating with us

You can contact us using any contact method outlined below:

- › via the Online Service Centre;
- › e-mailing UWCustomerService@utmostworldwide.com; or
- › by telephone at +44 (0) 1481 715 800.

17.3 Communicating with you

We will upload communications, including Endorsements and Written Notices, to your Online Service Centre account. When we upload a communication, we will send an e-mail alert to the e-mail address we hold for you on our records. We consider communications as received by you on the date that we send the e-mail alert.

You must keep your personal information up to date. We accept no responsibility or liability to any person or to any extent for losses incurred by you or any third party following a breakdown in communications except in the case of negligence or wilful misconduct on our part.

17.4 Complaints

We aim to maintain the highest levels of customer care. If we fall below our high standards and you feel dissatisfied, we want to hear from you.

Please direct your complaint to our Complaints Team and send it to us by e-mail at complaints@utmostworldwide.com or by post, using the address on the back cover of this document.

If you are not satisfied with our final response to your complaint, you can refer your complaint to the Channel Islands Financial Ombudsman at the following address: Channel Islands Financial Ombudsman, PO Box 114, Jersey, Channel Islands, JE4 9QG.

18. UTMOST WORLDWIDE INVESTMENT SERVICE CONDITIONS

The Utmost Worldwide Investment Service is an optional investment management service available to FOCUS Planholders. If you opt to avail of this service, an Utmost Worldwide Investment Service Fee will apply for the duration that you use the service (see section 13 'What are the Fees').

18.1 Investment Strategies

There are a number of investment strategies provided by the Utmost Worldwide Investment Service. These are available in a number of currencies and have different risk profiles. Details are provided in the 'Plan Investments Brochure'.

The service will use a mix of Plan Investments offered by Utmost Worldwide and listed in the 'Plan Investments Brochure' to implement each investment strategy. The Plan Investments used by each strategy will change from time to time.

We reserve the right to add or remove an investment strategy at any time. If a strategy is removed from our offering, for any reason, we will switch Plan Investments to align with an alternative strategy of our choosing. We will issue you a Written Notice of this change. This does not affect your right to select an alternative investment strategy or to opt out of the service.

Utmost Worldwide Limited are not liable or responsible for any damages, losses, costs or expenses incurred by you as a result of your use of the Utmost Worldwide Investment Service unless any damages, losses, costs or expenses are caused by the gross negligence, wilful default or fraud on our part.

18.2 Opting to use the Service

You use the Utmost Worldwide Investment Service at your own risk and you should continue to seek professional advice to ensure that use of the service meets your needs.

When you opt to use the Utmost Worldwide Investment Service, you will select an investment strategy and risk profile from those available. You will also give us discretionary authority to select Plan Investments for allocation of Contributions, to process switches and to redirect Contribution allocations. You can provide a Written Request to avail of the Utmost Worldwide Investment Service at any time. If you select the service, this will immediately revoke any pre-existing third-party investment manager appointment.

While availing of the service, you cannot direct investment of your Contributions or alteration of your Plan Investment holdings yourself.

You may however provide a Written Request to change the investment strategy applied to your Plan. This will trigger switch transactions and/or Contribution redirection. We accept no responsibility for any loss incurred resulting from any delay in realigning your investment holdings to that of the new investment strategy.

18.3 Stopping use of the Service

You can provide a Written Request to stop availing of the service at any time. We also reserve the right to remove the service, from any or all Planholders, for any reason. Where possible we will provide you with advance Written Notice of our withdrawal of the service.

In either case, any Plan Investment transactions (such as switches) which have commenced will first be completed.

You will be responsible for the future direction of investment. No further changes to the investment allocation will be processed unless we receive a Written Request from you or a duly appointed third-party investment manager.

19. IMPORTANT NOTES

FOCUS is governed, construed and interpreted in accordance with the law of the Island of Guernsey and the courts of Guernsey shall have exclusive jurisdiction to hear any matter arising out of or in connection with your Plan.

If you propose to take out a Plan in complete or partial replacement of a similar existing contract, please take special care to satisfy yourself that FOCUS meets your needs.

The cancellation, reduction or surrender of your Plan in order to purchase another similar contract may be disadvantageous to you. In particular, please make sure that you know the financial consequences of replacing your Plan. Your Financial Adviser can explain these to you.

You will supply us with any information or documents that we request to comply with any anti-money laundering requirements applicable to us under the relevant laws and regulations of the Island of Guernsey or any jurisdiction that we may operate in during the life of the Plan.

If you provide any incomplete, inaccurate or misleading information or fail to disclose any Material Facts, before and/or during the life of the Plan, this could result in us quoting wrong terms, rejecting, repudiating or reducing a claim or considering the Plan invalid.

We have used our best endeavours to ensure that our Offering Documents do not hide, diminish or obscure important statements or warnings which could influence your decisions in relation to FOCUS.

The content of this document is correct as of January 2022.

19.1 Regulator

Utmost Worldwide Limited is principally regulated in Guernsey, as a licensed insurer by the Guernsey Financial Services Commission under the Insurance Business (Bailiwick of Guernsey) Law, 2002 (as amended) to undertake international, domestic, life and general insurance business. Their address is: Guernsey Financial Services Commission, Glatigny Court, Glatigny Esplanade, St Peter Port, Guernsey, Channel Islands GY1 1WR.

19.2 Personal Data

Utmost Worldwide Limited is registered with the Office of the Data Protection Authority in Guernsey and must comply with the Data Protection (Bailiwick of Guernsey) Law, 2017 (as may be amended).

We collect and use personal data to set up and administer your Plan and to comply with our legal and regulatory obligations. In certain instances, we will collect personal information, including medical or other sensitive personal information relating to you and/or other individuals named in your Plan. We hold all information we collect in line with Data Protection legislation.

We will share your personal information within our group of companies or to third-party service providers that we have engaged to the extent necessary to administer your Plan or to comply with our legal and regulatory obligations.

You can learn more about your privacy rights by reading our 'Data Privacy Notice' located on our website: utmostinternational.com/privacy-statements/

19.3 Taxation

The taxes, levies and/or fees ('Fiscal Liabilities and Taxes') applicable to you or your Plan will depend on your personal circumstances and the tax laws in your country of residence and/or domicile.

You are solely responsible for the discharge of any Fiscal Liabilities and Taxes arising in connection with your Plan. You should seek regular professional advice throughout the life of your Plan.

Where we consider that we are obliged to pay taxes, levies and/or fees to a government department or agency, or other regulated body, in respect to any Plan transaction that we facilitate, then we will do so and pay them to the relevant entity. We will deduct them from your Plan Units or Contribution allocation or Plan benefit payment as required.

In addition, we may be required by law to report information about you and/or the Plan to tax or other regulatory authorities. You must supply us with any information or documents we request to allow us fulfil our obligations whether applicable in Guernsey or in any other jurisdiction.

Guernsey complies with the Tax Information Exchange obligations of the US Foreign Account Tax Compliance Act ("FATCA") and the Common Reporting Standard ("CRS") as issued by the Organisation for Economic Co-operation and Development ("OECD").

19.4 Currency Conversion - Foreign Exchange

Where we are required to exchange an amount in one currency to another as part of processing a Plan transaction or value calculation, we will convert the amount using a commercial rate of exchange applicable on the processing date. The commercial rate of exchange consists of a prevailing market rate plus our Foreign Exchange Fee (see 'Foreign Exchange Fee' within section 13.2 'Elective Plan Fees').

20. DEFINED TERMS

'Allocated Contribution' means the amount of your Contribution that we allocate to Plan Units. It is the Contribution less any External Bank Fees and our Card Payment Fee, if applicable. For Single Contributions, it is also less the Single Contribution Establishment Fee.

'Allocation Price' means the price, of a single Plan Unit, that we use when allocating a Plan Unit to your Plan.

'Application' means your proposal to us to enter into a contract including any supporting information provided by you.

'Bid Price' means the price used when deducting or valuing a Plan Unit.

'Commencement Date' means the date your Plan commences. This will be specified on your Plan Schedule.

'Commitment Period' means the period you commit to pay your Committed Contribution. This will be specified on your Plan Schedule.

'Committed Contribution' means the Regular Contribution, including any Regular Contribution increase that you have agreed to pay during your Commitment Period.

'Contribution' means a Regular Contribution or a Single Contribution.

'Cooling-off Period' means the 30-day period from your Plan's Commencement Date.

'Dealing Date' means a day, as determined by us, on which Plan Units of your chosen Plan Investments are allocated to and/or deducted from your Plan. Dealing Dates reflect the days on which the corresponding Utmost Investments are priced and on which the Utmost Investments can be purchased or sold.

'Due Date' means your Commencement Date and each subsequent date you must pay Committed Contributions.

'Endorsement' means a written record of binding contractual changes made to your Plan by us.

'Financial Adviser' means the person or entity that you have selected to provide you with financial advice and act as your agent in arranging financial services products for you. Financial Advisers are independent and do not act as agents for Utmost Worldwide Limited.

'Maturity Benefit' means the benefit payable following the Maturity Date, following our acceptance of the claim.

'Maturity Date' means the 99th Plan Anniversary.

'Plan' means the contract between you and us which will be subject to the following contractual documents:

- › your Application;
- › your Terms and Conditions;
- › your Plan Schedule;
- › relevant written statements that we rely on, made by you and/or other parties associated with your Plan; and
- › Endorsements that we issue to you.

'Planholder' means the individual(s), trustee(s) or company owning the Plan.

'Plan Anniversary' means the anniversary of the Commencement Date.

'Plan Currency' means the currency of your Plan.

'Plan Investment' means a notional investment created within your Plan, which corresponds to an Utmost Investment, and which is used to determine the value of your Plan.

'Plan Month' means the one-month period following the Commencement Date and each subsequent one-month period thereafter. For example, the first Plan Month following a Commencement Date of 31 May is the period from 31 May to 30 June inclusive.

'Plan Schedule' means the document that we issue to you setting out specific Plan details and includes any Endorsement to your Plan Schedule that we subsequently issue to you.

'Plan Unit' means a single equal portion of the Plan Investment used to determine the Investment Value.

'Regular Contribution' means the recurring Contribution that you commit to pay during your Commitment Period at the frequency that you select.

'Segment' means the single or separate and identical contracts that collectively make up your Plan.

'Single Contribution' means a Single Contribution that we accept as payment into your Plan in addition to your Committed Contribution.

'Terms and Conditions' means the contractual document containing the provisions, rules and requirements that will apply to your Plan; which will be issued at the Plan Commencement Date.

'Utmost Investment' means an underlying fund or investment instrument, as applicable, purchased by us to correspond to Plan Investments selected by you.

'Welcome Pack' means the communication sent to you on the Commencement Date of your Plan. It contains your contractual documents and other important Plan information.

'Written Notice' means any communications that we physically or digitally send to you or your authorised agent.

'Written Request' means instructions or requests that you or your authorised agent send to us in any format that we accept.

WHAT ARE THE NEXT STEPS?

When you have read the Offering Documents and Terms and Conditions, and you are satisfied that a FOCUS Capital Redemption Plan is for you, your Financial Adviser will guide you through the Application process. You can review the Terms and Conditions on our Website at the following link: utmostinternational.com/wealth-solutions/our-wealth-solutions/our-solutions-rest-of-world/

You will need to complete an Application. Your Financial Adviser will be able to advise you of the supporting documentation that is required to accompany your Application.

In addition, you should get specialist legal and tax advice from a professional adviser regarding this Plan. You must ensure that you are eligible to hold a Plan under the laws of any jurisdiction which applies to you.

FINANCIAL ADVICE

Your Plan is a financial services product that is purchased directly from us by you via a broker, typically your Financial Adviser.

If you follow the recommendations of a Financial Adviser in making your decision to buy your Plan, that Financial Adviser has sole responsibility for the financial advice provided to you. Your Financial Adviser works for you alone and does not act as our agent.

We do not check or verify the financial advice that you receive. You should make sure that your Financial Adviser is appropriately qualified and licensed to provide you with financial advice and you should make sure that the advice is suitable to meet your own current and future personal circumstances.

Your Financial Adviser should fully explain the Terms and Conditions of your Plan, and you should be fully confident that you properly understand how the Plan operates.

Whilst we cannot provide you with financial advice, we can answer any questions about the operation of your Plan. You can contact our Helpdesk at +44 (0)1481 715800 or email us at UWCustomerService@utmostworldwide.com.
