## IMPORTANT NOTES

**This form can only be used with Utmost PanEurope dac ('Utmost PanEurope') Selection bonds issued on a capital redemption basis at least 12 months ago and denominated in Sterling. This application form cannot be used to establish a Generation Planning Bond.**

This form is a request to Utmost PanEurope to convert your existing bond into a Discounted Gift Trust. It includes a questionnaire to gather the medical information we need to start initial underwriting. It also enables you to confirm the level of withdrawals you wish to take from the bond during your lifetime. You will also need to complete the appropriate **Discounted Gift Trust Deed** and submit this to us before the bond is converted.

**Your financial adviser will also be able to provide you with any relevant supporting literature in relation to your individual circumstances. Some of the existing Policy Conditions of your bond will be changed and the policy endorsed accordingly.**

### ELIGIBILITY

The Discounted Gift Trust is **not** available on either a joint or single basis, for any applicant who is:

- › aged 95 or over, or
- › rated to be aged 95 or over after underwriting.

For more details speak to your financial adviser.

We assume that you are UK tax resident for tax purposes and UK domiciled on conversion of this bond.

### SETTLING YOUR BOND INTO A DISCOUNTED GIFT TRUST

It's important to note the following:

- › you as the current policyholder will be the Settlor/Donor of the Discounted Gift Trust
- › some Policy Conditions will change. These changes mean it will **not** be possible to surrender the bond or assign it out of trust during your lifetime
- › you will receive the regular withdrawals specified, but it will **not** be possible to stop, or vary these withdrawals during your lifetime
- › you will **no longer** have access to the capital you originally invested
- › you will **not** be able to add any further premiums to the bond
- › ownership of the bond will be transferred to your appointed trustees of the Discounted Gift Trust.

The Discounted Gift Trust is designed to mitigate UK Inheritance Tax. It is unlikely to be effective in mitigating death duties imposed by other countries. You need to satisfy yourselves that, under any taxation, exchange control or any other legislation to which you may be subject, you can establish this trust. If this supplementary application is to be signed under a Power of Attorney, please contact our Customer Support team before you proceed, to find out what additional information will be needed.

**Please be aware that this trust may be required to be registered on the relevant trust registration portal. Speak to your financial adviser for more information.**

### IDENTIFICATION REQUIREMENTS

Under anti-money laundering rules applicable in Ireland, we are required to verify the identity and address of each Settlor/Donor and all trustees (including any additional trustees). We have a separate document for corporate trustee identification which is available on request from us. We also need the full name, date of birth, address, and nationality of all other parties to the trust (for example, any named beneficiaries).

**E** REGULAR 'INCOME' WITHDRAWALS

**MANDATORY**

Complete this section to confirm the level of 'income' payments from the bond which are to be paid to you after the trust is established. It is important to state the percentage as a fraction of the original premium rather than as percentage of the current value of the bond.

Any withdrawals taken from the bond to date will affect the tax-deferred entitlement available to you after the trust is established and you should discuss this with your adviser before you determine the level of withdrawals required.

When choosing the level of your 'income' (or continuing your current level of 'income') any ongoing or ad hoc adviser charging payments paid to your financial adviser that are taken from the bond, will count towards the 5% annual tax-deferred withdrawal entitlement. Speak to your financial adviser for more information.

**IMPORTANT INFORMATION**

For details of the maximum levels of 'income' allowed see the **Selection Discounted Gift Trust Conversion Guide**.

Minimum of £200 per payment.

Regular withdrawals will be taken equally across all policy segments.

**F ACCESS TO MEDICAL RECORDS**

We may need to get medical reports to support your application. Before we can ask any doctor that you have consulted to fill in a report, we need your permission under the Access to Medical Reports Act 1988 and equivalent legislation. Your rights under the legislation are as follows:

You do not need to give your permission, but if you do not, we may not be able to go ahead with your application. This does not prevent you from applying to other companies for insurance.

You can ask to see the report before the doctor returns it to us. If this is the case, we will tell the doctor to keep the report for 21 days so that you can arrange to see it. If you have not made arrangements to see the report within this time, your doctor will send the report to us.

If you choose not to see the report at this stage, you may ask the doctor for a copy within six months of it being sent to us. We can send a copy of the report to your doctor if you ask to see it at a later date.

If you think that any part of the report is not correct or is misleading, you may ask the doctor to amend it. If your doctor refuses to make the amendments, you may ask him or her to attach a statement outlining your views, which will then accompany the report.

Your doctor can withhold access to the report if he or she feels that it would cause physical or mental harm to you or others.

The medical report your doctor fills in asks about the following:

› Your current health

- Any care, medication or treatment you are currently receiving
- The results of referrals or tests you are waiting for

› Any time off work in the last three years

› Your past health.

Details of any relevant illness, trauma, or referrals for specialist advice or treatment, hospital admissions, consultations with your doctor or any other medical adviser, therapist or counsellor, in particular whether you have a history of:

- malignancy (cancer), cardiovascular (heart) disease, diabetes, and degenerative (gradually worsening) diseases;
- musculoskeletal disease or injury, for example, arthritis, rheumatism, back problems or any other disorder of the joints or muscles;
- anxiety, depression, neurosis (such as phobias, obsessions and so on), psychosis (a mental disorder where you lose contact with reality), stress or fatigue;
- suicidal thoughts or attempts at suicide; or
- conditions related to drug or alcohol misuse or smoking or chewing tobacco;
- details of any biopsies, blood tests, electrocardiograms (heart tests), height, weight if measured in the last two years, urinalyses (tests on urine), x-rays or other investigations;
- any blood pressure readings in the last three years;
- any history of disease among your parents or brothers or sisters that you have told your doctor about.

We have asked your doctor not to reveal information about:

- negative tests for HIV, hepatitis B or C;
- any sexually-transmitted diseases unless there could be long-term effects on your health; or
- predictive genetic test results unless there is a favourable test result which shows that you have not inherited a condition your family suffers from.

The information you and your doctor provide about your health will enable us to assess life expectancy in respect of an Actuarial Certificate of Valuation we issue for Inheritance Tax purposes.

If you have any questions about your rights under the legislation or questions relating to the process of getting, assessing or storing medical information, write to: **Utmost PanEurope dac, Navan Business Park, Athlumney, Navan, Co. Meath, C15 CCW8, Ireland.**
