A CONTRACT DETAILS

MANDATORY

ALL Applicants must complete this section.

B PREMIUM DETAILS

MANDATORY

Speak to your Insurance Intermediary for details of the minimum Additional Single Premium amount applicable for your Policy.

If the Premium is received in a currency that is different to the Policy it will be converted to the Policy Currency at the exchange rate applicable at the time. **If the payer of the Premium is not the Applicant then we will need to know why a third party is making the payment, and will normally require verification of the identity of the payer.**

Third party Premium payments are subject to our approval.

Utmost PanEurope dac does not pay credit interest on Premiums received prior to issue. If you exercise your right to cancel the additional investment, the amount you get back will depend on whether the Investment Restriction Period has ended. If the Investment Restriction Period has ended before exercising your right to cancel the additional investment, you will get back the lower of either your Additional Single Premium reduced to take into account any charges OR the current value attributed to the Additional Single Premium to you. If you exercise your right to cancel during the Investment Restriction Period we will return your full Additional Single Premium to you. Ask your Insurance Intermediary for further details.

If you wish to transfer assets from an existing qualifying discretionary account, to a Discretionary Fund Manager appointed on the Policy as part, or full, Premium payment, complete section B2.

Acceptance of any transfer of assets is at the discretion of Utmost PanEurope. If Utmost PanEurope accepts the transfer of assets as Premium payment, then the Applicant cannot assume that the pre-existing portfolio will be retained in whole or part, for any period of time or at all.

Your Additional Single Premium will not be invested until we have received all outstanding requirements, including cleared funds. Where a Premium payment is made by a Premium in kind (in-specie) transfer, the date on which the Premium will be allocated to the Policy, will be the date on which all of the assets have been transferred via re-registration to Utmost PanEurope.
