3 Important information

In order to ensure fairness of treatment between bondholders the value of units you sell may be reduced. This is called a Market Value Reduction ("MVR"). **If you request a withdrawal of 5% or less of your single investment from Aviva's With-Profit funds at the start of your bond, Aviva won't apply an MVR.**

We won't process a request from you for a transaction that attracts an MVR unless we have explicit confirmation from you that we can proceed.

Please tick one of the boxes below to instruct us on how to proceed if a Market Value Reduction is to be applied.

a) I instruct you to proceed with the application of the MVR (if any).

OR

b) Please contact me/my financial adviser to confirm the amount of MVR (if any) before processing.

I understand that this may delay the processing of this request.

Full contact telephone number for me/my financial adviser.

Withdrawals from the bond may impact your eligibility to qualify for the With Profit Inflation Protected Guarantee. Please refer to the Key Features document or contact us for further information.

For up-to-date information on your bond value, bonus rates and the MVR (if any) please contact our With-Profit Helpline on **0845 300 1602** (UK local rate) which will be charged at the local rate or **00 353 1 802 8495** (for International dialling).

Privacy Statement

Our Privacy Statement explains when and why we collect personal information about our customers, how we use it, the conditions under which we may share it with others and how we keep it secure. It also explains how long we keep customer information for, how a customer can obtain details of the information we keep and the choices customers have about how we use that information. You can find a copy at www.utmostwealth.com/privacy-statement or you can request a copy from our Customer Service Team.

Important notes

The bond document is not required with this request.

The units in your bond will be priced and dealt on a "forward basis". As long as we get your transaction request before 4.00pm, you get the unit price for that day. The price for that day will be the fund manager's price as provided to us on the next business day. We publish the unit prices once we have received them from the fund managers. Payment will normally reach your account within 10 working days following receipt of all required documentation.

In the case of regular withdrawals, you will be advised if, at some future point, the amount remaining in the fund is likely to be insufficient to meet the next payment in full. You will be required to submit new instructions. Full details can be found in the 'Policy Conditions' applicable to your bond. In the absence of new instructions, all withdrawals will cease when the fund is depleted.

The minimum amount that must be left in the bond for regular withdrawals to continue is 20% of the original payment for the first five years and £1,000 (\$1,500 or €1,500) thereafter.

We reserve the right to refuse to sell units if, when you take a regular withdrawal, there will be less than £1,000/€1,500/\$1,500 in your fund.

To allow us to comply with our legal obligations and to protect you, we may need original/certified proof of address and photo I.D. before we can make a payment to you. The photo I.D. must be in-date and proof of address dated within the last six months.

All references to personal taxation below are based on Utmost PanEurope dac's understanding of UK law and HM Revenue and Customs practice as at July 2016. The future basis and rates of tax may vary. Although every effort has been made to ensure its accuracy, no responsibility can be taken for Utmost PanEurope dac's interpretation. If you are a non-UK resident please contact your financial adviser or applicable tax authority for advice on the taxation implications of owning your bond.

If you are a UK resident, there is no immediate liability to income tax if the amount withdrawn from your bond across all individual policies does not exceed the '5% allowance'. This allowance is calculated as 5% of the investment in the year it is made and 5% each year for the following 19 years. The 5% allowance is cumulative. If it is not used in one year it can be transferred to the next, and so on.

When your bond or any of your individual policies come to an end, there may be an immediate liability to income tax on any chargeable gain. The amount of this gain, if any, is calculated by adding the final encashment value to any previous withdrawals and then subtracting the original investment and any previous chargeable gains. Any gain can be reduced for the time you're resident outside the UK, but this relief may not be available to policies held under trust, if any of the trustees are not UK resident.

Any gains in respect of bonds held under trust will be assessed against the creator of that trust (the settlor). If the settlor is not a resident in the UK or has died, the trustees will be liable for the tax on any gain. If all of the surviving trustees are not resident in the UK, then UK ordinarily resident beneficiaries will be liable for income tax on any gain they receive.
