HOW TO COMPLETE THIS FORM

Electronic completion

To ensure your information is saved correctly, we recommend you save the form to your desktop before you start completing the required fields.

Paper completion

If completing a hard copy of this form, please use **black or blue ink** and **BLOCK CAPITALS**. If you make a mistake, cross it out, put in the correct details and sign your initials next to the correction. **Do not use correction fluid.**

INTRODUCTION

Under Automatic Exchange of Information (AEOI) regulations we are required to obtain certain information from our investors, including where they were born, their nationalities, countries of tax residence¹, related tax identification numbers (TIN)² and their 'self-certification' that the information they provide is true and complete. We may have to provide this information to the relevant domestic tax authority who may share it with overseas tax authorities.

CHANGE OF CIRCUMSTANCES

The information in this form and your self-certification will remain valid unless there is a change of circumstance which affects that information. If we receive information which suggests your country of tax residence has changed, we may ask you to complete another self-certification. You must notify us if there is a change in circumstance that makes this form incorrect or incomplete.

WHAT HAPPENS IF I DO NOT COMPLETE THIS FORM ?

Completion of this form is a regulatory requirement and is therefore mandatory. Failure to provide information when requested could lead to your details being reported incorrectly, or without the necessary information. This may ultimately lead to investigations by your local tax jurisdiction. We will continue to remind anyone who fails to provide a completed self-certification at least annually.

You have been asked to complete this form so the relevant **Company** can accurately report your policy under the relevant tax information exchange agreements, including FATCA and the CRS. This may be due to a change of circumstances on your policy, which potentially changes the status under these agreements, such as a full assignment, or because we do not currently hold sufficient information on your policy to enable us to report your account correctly.

¹ Country of tax residence

Your tax residence is generally the country in which you live for more than half a year. Special circumstances (such as studying abroad, working overseas, or extended travel) may cause you to be tax resident elsewhere or tax resident in more than one country at the same time (dual tax residency). The country/countries in which you pay income tax are likely to be your country/countries of tax residence. If you are a US citizen or hold a US passport or green card, you will also be considered tax resident in the US even if you live outside the US.

² Tax Identification Number (TIN)

TIN stands for 'Tax Identification Number' and is a country specific unique number issued to an individual or entity for tax administration purposes.

WHO SHOULD COMPLETE THIS FORM?

This form should be completed by:

- › The Policyholder (sometimes referred to as Planholder or Accountholder).
- › Those persons authorised to sign on behalf of the policyholder, for example their Power of Attorney or court appointed Deputy where appropriate documentation is held by us.
- › The relevant individuals linked to the trust where Utmost Trustee Solutions Limited or Utmost International Trustee Solutions Limited are the appointed trustee. Where a beneficiary is a minor, it would be acceptable for a parent or legal guardian to sign on their behalf.

If you are an individual on a trust that is managed by a corporate trustee, or the policy is held under a company or partnership which doesn't meet the definition of Passive Non-Financial Entity, you will need to complete a **Tax Declaration and Self-Certification for Entities form**.

If you are a trustee on a trust where all the trustees are individuals, you will need to complete a **Tax Declaration and Self-Certification for Trusts** form. To access the forms, please visit www.utmostinternational.com

WHERE CAN YOU ACCESS FURTHER INFORMATION?

For help to work out where you are tax resident, or if you are unsure about your TIN, please consult your financial adviser or refer to the information on the Organisation for Economic Cooperation and Development's (OECD) website.

The OECD has developed the rules to be used by all governments participating in the CRS and these can be found on the OECD's 'Automatic Exchange of Information' (AEOI) website: www.oecd.org/tax/automatic-exchange/

If you are unsure what information to include, please consult your financial adviser who can also confirm that this is the most up-to-date version of this form.

HOW WE USE YOUR INFORMATION

Our Privacy Notice explains when and why we collect personal information about our customers, how we use it, the conditions under which we may share it with others and how we keep it secure. It also explains how long we keep customer information for, how a customer can obtain details of the information we keep and the choices customers have about how we use that information. You can find a copy at www.utmostinternational.com/privacy-statements or you can request a copy from the relevant Customer Service team.
