1 INTRODUCTION

Apex (Portugal) is a collection of identical individual single Premium life insurance Policies linked to funds. Each individual Policy is a life insurance contract between the Policyholder and Utmost PanEurope dac (Utmost PanEurope).

The Policies are written on a Whole of Life Basis. Each Policy provides for the payment of the Death Benefit upon termination based on the Value of the Policies.

Upon commencement of the Life Insurance Policy, Utmost PanEurope will create a unitised 'Personal Fund' (see section 7) through which the Policyholder can select one of the following investment options:

- › **Open Architecture** - The Policyholder can choose from a wide range of External Funds indicated by Utmost PanEurope.
- › **Discretionary Fund Management** - The Policyholder can nominate and request Utmost PanEurope to appoint a Discretionary Fund Manager to select and manage the underlying Investment Instruments of the Personal Fund held within an External Account. The Policyholder, acting in the name and on behalf of Utmost PanEurope under a limited power of attorney, can select the investment strategy and specify their risk profile within the Discretionary Fund Manager's own investment mandate, which will then be communicated to the DFM via Utmost PanEurope.
- › **Investment Platform arrangement** - the Policyholder can nominate and request Utmost PanEurope to appoint an external Investment Platform to hold custody of the underlying Investment Instruments of the Personal Fund and appoint an Insurance Intermediary on an advisory basis to buy and sell funds on the Platform (via Utmost PanEurope).

Apex (Portugal) is an investment linked insurance product. There is risk associated with an investment in the Life Insurance Policy. The level of risk is dependent on the External Funds chosen or the Discretionary Fund Management investment strategies the Policyholder chooses. 5 CONTRACT

Apex (Portugal) and each Policy therein is governed by and written in accordance with the laws of Portugal. The contractual language is English at the request of the Policyholder in the Application Form.

The following documents form the basis of the contract (the Life Insurance Policy) made between the Policyholder and Utmost PanEurope:

- › These Policy Conditions
- › The Application Form
- › The Charge Schedule
- › The Schedule of Policies

- › Key Information Document
- › Any Fund Key Information Document; and
- › Specific Information Document.

The Policyholder is also provided with an 'Apex (Portugal) Product Guide', which includes a brief description of the tax treatment of the Policies in Portugal.

The Policyholder must be provided with a Key Information Document in good time for consideration before the Policyholder subscribes for the Life Insurance Policy. The Policyholder will be provided with:

- › A generic Key Information Document that describes the Life Insurance Policy; and
- › Where Open Architecture (External Funds) has been selected, a separate Key Information Document for each External Fund the Policyholder has selected; or

The Key Information Document and Specific Information Document or Key Information Document for the External Fund are available at www.utmostinternational.com or from the Insurance Intermediary.

It is the Policyholder's responsibility to read the above mentioned documents carefully. The Policyholder has 30 days, from the receipt of the Welcome Pack, to raise any inconsistencies between what was agreed and the contents of the Schedule of Policies and the Apex (Portugal) Policy Conditions. Otherwise, the written documentation as provided will be considered to have been accepted by the Policyholder. This does not affect the Policyholder's right to terminate the Policy by providing 30 days' written notice at any time to Utmost PanEurope should Utmost PanEurope fail to meet obligations under the Policy.

Once the Policies have been in force for 2 years, Utmost PanEurope cannot dispute claims (i.e. requests for the Surrender Payment, Death Benefit) on the basis that any party to the contract has:

- › **Provided inaccurate information**
- › **Made a negligent omission.**

This will not apply where any party to the contract has:

› **Committed fraud**

› **Wilfully provided inappropriate or incorrect information.**

Disputes under these Policies will be subject to the exclusive jurisdiction of the Courts of Ireland, unless otherwise provided by mandatory legislation.

As a general rule the courts of an EEA Member State in which the Policyholder, the Life Assured, the Beneficiary or person entitled is domiciled, will have jurisdiction in matters relating to these Policies.

5.1 Contract type - Whole of Life Basis

As a Whole of Life life insurance agreement linked to investment funds, the Policies may pay the following Benefits:

- a. Surrender Payment: To the Policyholder; or
- b. Death Benefit: To the Beneficiary on death of the Relevant Life Assured.

There is no exclusion to these payments except as provided by law.

5.2 Acceptance and Commencement

The application can only be negotiated with and accepted by Utmost PanEurope. The receipt of the signed Application Form does not create the life insurance agreement neither does it mean that Utmost PanEurope has accepted to enter into the Life Insurance Policy. Utmost PanEurope may reject or accept the contract based on the Application Form. The acceptance of the contract by Utmost PanEurope is evidenced by issuing the Schedule of Policies.

The Policies enter into force on the Commencement Date stated in the Schedule of Policies.

Utmost PanEurope will notify the Policyholder or their Insurance Intermediary, within 14 days of receipt of the signed Application Form of:

- › **The acceptance of the contract - Utmost PanEurope will send the Policyholder the Welcome Pack containing the Schedule of Policies; or**
- › **Any requests for outstanding documentation or information required for Utmost PanEurope to assess the application; or**
- › **The refusal of the contract - Utmost PanEurope will send the Policyholder a notice of refusal to enter the life insurance agreement linked to investment funds.**

If Utmost PanEurope does not contact the Policyholder or their Insurance Intermediary within 14 days of receipt of the completed and signed Application Form the contract will commence based on the Application Form provided.

The risk accepted is that Utmost PanEurope will pay the following payments upon the termination of the Policies upon Written Request:

- › The Surrender Payment; or
- › The Death Benefit on the death of the Relevant Life Assured.

Utmost PanEurope accepts the contract based upon a good faith belief that all statements, declarations and answers given by the Policyholder and the Life Assured, if applicable, are complete and true.

5.3 Information provided by the Policyholder

Utmost PanEurope will consider in good faith that all statements, declarations and answers given by the Policyholder and the Life Assured are complete, true and up-to-date.

The information provided by the Policyholder and the Life Assured to Utmost PanEurope forms part of the contract.

Prior to the conclusion of the contract, the Policyholder and the Life Assured must:

- › Declare anything within their knowledge they consider material for the risk assessment by Utmost PanEurope, even if not expressly asked
- › Declare that to their best of their knowledge, any statements, declarations and answers in the Application Form and any other related document, that are relevant to the risk assessment, are true, complete and up-to-date as these form part of the contract
- › Undertake to promptly provide Utmost PanEurope with any material information and documentation requested
- › Declare they understand the consequences of failing to provide information or providing incorrect information to Utmost PanEurope.

If a Party to the Life Insurance Policy fails to provide information or provides incorrect information to Utmost PanEurope the following consequences apply:

- › **Before a request for the full Surrender Payment or Death Benefit has occurred:**
 - Utmost PanEurope may within 3 months after it becomes aware of a willful breach (dolo) declare the contract null (anulação), by sending a notice to the Policyholder
 - Utmost PanEurope may, within 3 months from the date it becomes aware of a negligent breach:
 - (a) **Propose an amendment to the Policies:**
The Policyholder must accept or present a counterproposal to Utmost PanEurope within 14 days. If within 20 days, the Policyholder rejects this amendment or fails to present a counterproposal the Policy will be terminated
 - (b) **Terminate the Policies:** Utmost PanEurope will terminate the Policies, where if it had known the relevant information it would not have covered the risk. The Policies will terminate 30 days after the receipt of the notification of termination.

Without prejudice to the above, if Utmost PanEurope discovers that the applicant(s) that signed the Application Form misled Utmost PanEurope in respect of any part of the statements confirmed in respect of the source of funds, Utmost PanEurope shall, to the fullest extent permitted by applicable law and regulation, without limiting

Utmost PanEurope's legal remedies or options, have the contractual right, among others, to immediately terminate the Life Insurance Policy pursuant to terms and conditions established in the section named "Anti-Money Laundering and Tax Evasion Provision" of the Application Form.

After a request for the full Surrender Payment or Death Benefit has occurred, Utmost PanEurope will be entitled to declare the Policies null (anulação).

In the above situations where the Policies are null (anulação) or terminated Utmost PanEurope will return, as soon as possible depending on the liquidity of the relevant External Funds or underlying Investment Instruments, the Premium paid to the Policyholder less any divestment costs, which include any early discontinuance fees levied by Utmost PanEurope and any downward swing in the value of the Units and associated investment or disinvestment costs.

The Policyholder should keep Utmost PanEurope informed of any change in the personal information that Utmost PanEurope holds and should let Utmost PanEurope know if there are any errors or omissions in our data. Refusal to provide information, providing inaccurate information or not maintaining the information may be an obstacle to the performance of the obligations of Utmost PanEurope.

The Policyholder must inform Utmost PanEurope of any change in their habitual residence for outside of Portugal, within 30 days or as soon as possible thereafter. Failure to inform Utmost PanEurope of any changes in circumstance as soon as possible could result in regulatory, legal and/or tax consequences that can affect the Policyholder. The Policyholder shall undertake such independent advice, including, without limitation, legal and tax advice, as considered necessary, in order to understand such consequences and obtain guidance in relation to such change. Utmost PanEurope will not be responsible under any circumstance for any such consequences or implications.

5.4 Currencies

The Policies can be denominated (the Policy Currency) in one of four currencies: Euro, Pound Sterling, US Dollar and Swiss Franc. The Policyholder selects the Policy Currency in the Application Form. The currency cannot be changed during the life of the Life Insurance Policy. All payments and all statements will be completed in the Policy Currency.

Premiums, Death Benefit and Surrender Payment can be paid, upon request, in a different currency from the Policy Currency. In such cases, Utmost PanEurope will convert the amounts at the commercial rate of exchange, subject to applicable restrictions, and they will deduct any costs.

5.5 Assignments or Pledges

The Life Insurance Policy may be assigned or pledged, in part or as a whole, at any time by the Policyholder subject to the prior written consent of Utmost PanEurope. A pledgee's consent will be required for any payment of Death Benefit, Surrender Payment or change of Beneficiaries.

Notice of any assignment or pledge affecting the title to Policies will be effective from the date that Utmost

PanEurope issues confirmation of receipt of notice to the relevant parties.

Utmost PanEurope may refuse to accept any assignment or pledge of Policies at our absolute discretion or place conditions on any assignment or pledge of Policies as Utmost PanEurope consider appropriate without being liable to the Policyholder or any other person for any loss or damage suffered as a result of such actions by Utmost PanEurope.

5.6 Amendments to the Policy Conditions

Utmost PanEurope may amend the Policy Conditions if circumstances outside Utmost PanEurope's control have changed which could not reasonably have been predicted at the Policy Commencement Date and where, if Utmost PanEurope were to not change the Policy Conditions, the result would be unfair to the Policyholder or to Utmost PanEurope. Such circumstances might include:

- › a change in the law under which the Policies operate
- › a change in the tax treatment of these Policies
- › a change in the tax treatment of life insurance companies and their investments
- › a change in third party operating costs
- › a change in the regulatory capital requirements relating to the Policies.

Utmost PanEurope reserve the right to amend charge levels, the basis for charging or the minimum level of fees and charges.

Any changes to the Policy Conditions will be notified to the Policyholder in writing, in advance of their taking effect. Any such changes will become effective on the date specified in the notice. The Policyholder may object within 30 days of receiving the notice and terminate the Policies and receive the full Surrender Value (no early discontinuance charge will apply).

5.7 Severability

If any provision of the Policy Conditions is prohibited by law or judged by a court of competent jurisdiction to be unlawful, void or unenforceable:

- › The provision will, to the extent required be severed from these Policy Conditions and rendered ineffective as far as possible without modifying the remaining provisions of the Policy Conditions
- › The parties will negotiate in good faith to replace the provision as far as practically possible.

5.8 Special Warning

Apex (Portugal) does not give the Policyholder the following rights:

- › To receive advance payments, i.e. a loan
- › To receive a reduction of the agreement, i.e. a refund of the Premium
- › To receive any profit sharing arrangement with Utmost PanEurope

- › To invest the External Funds or underlying Investment Instruments per the mathematical provisions of Utmost PanEurope.

6 PREMIUMS

Risk coverage under the Life Insurance Policy depends upon the payment of the initial Premium and clearance of those funds in Utmost PanEurope's account.

The initial Premium accepted by Utmost PanEurope on the Commencement Date of the Life Insurance Policy (and all individual Policies it contains) is shown in the Schedule of Policies.

The amount of the initial Premium and the corresponding sum invested (the Total Invested Amount) will also be shown in the Schedule of Policies.

For each Policy, Utmost PanEurope shall use the Total Invested Amount to buy an allocation of Units in the Personal Fund. The number of Units bought will be calculated by dividing the Total Invested Amount by the Unit Price of the Units on the next Appropriate Dealing Day following the later of:

- a) actual receipt by Utmost PanEurope of the amount of the initial Premium by way of cleared funds, or
- b) Utmost PanEurope's acceptance of the Policyholder's

application.

Additional Premiums may be paid at any time and require the prior consent of Utmost PanEurope. The minimum initial amount of any Additional Premium will be the published value set by Utmost PanEurope within the current 'Additional Single Premium Application Form' on the day of investment. Whenever an Additional Premium is paid an Additional Premium Statement (or any replacement statement) shall be issued which will amend or add to the details shown in the original Schedule of Policies.

Any such Additional Premiums may be subject to different terms, conditions and charges as notified and agreed at the time the Additional Premium is paid.

The full amount of the Premium(s) paid will be allocated to the Policies equally after deducting any applicable upfront charges, such as the establishment charge and any bank charges or other charges due. This amount is then used to purchase Units in the Personal Fund.

7 INVESTMENTS OF THE PERSONAL FUND

The Life Insurance Policy may only be linked to the Personal Fund and subsequently the underlying assets it contains, such as External Funds or the underlying Investment Instruments of a Discretionary Fund Management arrangement or Investment Platform arrangement.

7.1 Separation of Personal Funds

Each Personal Fund to which the Life Insurance Policy is linked forms a separate and identifiable element of the Utmost PanEurope's 'Policyholders' Fund' (being therefore of the exclusive property of Utmost PanEurope) and Utmost PanEurope shall treat each Personal Fund as being composed of its own assets (External Funds, External Account or Investment Platform) which will be kept separate from any other Personal Fund for the purposes of valuation.

Each Personal Fund is notionally divided into 'Units', representing an equal division of the Personal Fund. Units are notionally allocated to the Policies in order to determine the value of the Death Benefit or Surrender Payment payable (i.e. the Value of the Policies).

The Policyholder has no legal entitlement to the Dealing Account(s), External Funds or underlying Investment Instruments of the Personal Fund represented by the Units or any beneficial interest in them; the value of the Death Benefit is only linked to the Value of the Policies.

The total value of the External Funds, the underlying Investment Instruments of an External Account or Investment Platform and Dealing Account(s) which comprise the Personal Fund is equivalent to the Value of the Policies. There may be timing differences between the creation and cancellation of notional Units and the purchase or sale of External Funds or underlying Investment Instruments of the Personal Fund.

Utmost PanEurope reserves the right to create new Personal Funds or merge existing Personal Funds; provided Utmost PanEurope believe it is reasonable to do so.

Utmost PanEurope shall not be responsible for the investment performance of the Personal Fund.

7.2 Investment Options

Via the Personal Fund the Policyholder can choose from the following investment options:

- › **Open Architecture** - The Policyholder can choose from a wide range of External Funds indicated by Utmost PanEurope
- › **Discretionary Fund Manager** - The Policyholder may nominate and request Utmost PanEurope appoint a Discretionary Fund Manager to select, manage and hold custody of underlying Investment Instruments of the Personal Fund held within an External Account. The Policyholder can select the investment strategy and specify their risk profile within the Discretionary Fund Manager's own investment mandate, which will then be communicated to the Discretionary Fund Manager via Utmost PanEurope
- › **Investment Platform arrangement** - the Policyholder may nominate and request Utmost PanEurope appoint an external Investment Platform to hold custody of the underlying Investment Instruments of the Personal Fund and can request Utmost PanEurope to appoint the Insurance Intermediary on an advisory basis to buy and sell funds on the Investment Platform (via Utmost PanEurope).

The Policyholder can change options by submitting a Written Request to Utmost PanEurope for review. Upon acceptance the change will be executed.

7.3 Open Architecture (External Funds)

External Funds are collective instruments that the Policyholder selects. The Policyholder can select from a range of permitted External Funds as outlined in Condition 7.8 and its Sub-Conditions.

Detailed information on External Funds can be found in the particular External Fund's prospectus or offering documents which are available from the Insurance Intermediary or the relevant External Fund issuer.

7.3.1 Switching of Units - External Funds

The Policyholder may, at any time, request in writing for Utmost PanEurope to switch units in an External Fund by submitting a dealing request. Alternatively, the Policyholder can nominate either an Insurance Intermediary or Investment Adviser to place dealing requests directly with Utmost PanEurope, subject to their prior appointment by Utmost PanEurope. Subject to the confirmation of the dealing request by Utmost PanEurope, the switch of units in an External Fund will take effect on the next available dealing date in accordance with Utmost PanEurope's rules and procedures.

Units will be allocated across all Policies equally and are subject to the following:

- › Any trading restriction applied by the relevant External Fund
- › Any trading restriction applied by Utmost PanEurope or to which Utmost PanEurope may be subject from time to time under the applicable law or regulation.

It is the Policyholders' responsibility to submit to Utmost PanEurope any necessary requests regarding sale of units to facilitate the payment of partial surrenders etc.

Subject to Utmost PanEurope's limits for Minimum Fund Value, the Policyholder or the Insurance Intermediary or Investment Adviser (as applicable) can change the External Funds by making a Written Request to Utmost PanEurope. Subject to the approval of the Written Request by Utmost PanEurope, Utmost PanEurope shall cancel some or all of the units of the External Fund and then replace those units with units of another External Fund, as specified in the Policyholder's request, at the unit prices on the Appropriate Dealing Day of the relevant External Fund.

Utmost PanEurope retains the right to switch any units where the Minimum Fund Value is not maintained. If Utmost PanEurope does not receive a written selection by the Policyholder of another External Fund, Utmost PanEurope shall be entitled to switch the units into units of any External Fund of Utmost PanEurope's choice. In choosing this alternative External Fund, Utmost PanEurope will act reasonably and with proper regard to the need to treat the Policyholder and Utmost PanEurope's other customers fairly.

Utmost PanEurope may impose a dealing charge in accordance with Utmost PanEurope's current scale as published from time to time taken by cancellation of Units.

Utmost PanEurope, as owner of the Units, can buy and sell Units at its complete and sole discretion.

Utmost PanEurope shall not be obliged to accept any dealing requests from the Policyholder, the Insurance Intermediary or the Investment Adviser but will give notice to the Policyholder of Utmost PanEurope's refusal to accept such requests.

7.3.2 External Fund Events

Utmost PanEurope reserves the right, under exceptional circumstances, to withdraw any External Fund offering. This may affect future External Fund holdings only or future and existing External Fund holdings. External Fund managers also reserve the right to amend the Investment Strategy of their External Funds. Please note that such changes are beyond the control of Utmost PanEurope.

In the event of the withdrawal of an External Fund or significant change in the Investment Strategy of any External Fund, Utmost PanEurope will provide the Policyholder with advance notice, if possible, of such a change. Following the notification, if Utmost PanEurope does not receive a Written Request from the Policyholder, it will be tacitly assumed that the Policyholder has accepted the course of action proposed in the notice.

7.3.3 Responsibility for Investment of External Funds via Open Architecture

The Policyholder is responsible for the selection of External Funds from the range of permitted External Funds indicated by Utmost PanEurope. Utmost PanEurope will execute the trades under the Policyholder's request made directly to Utmost PanEurope or via the Insurance Intermediary. The Policyholder is responsible for reading the External Fund documentation to ensure he/she understands the strategy, risks and costs associated with a particular External Fund and the Policyholder should seek any required clarifications from its duly qualified advisor. The Policyholder may submit instructions regarding the switching of External Fund Units directly (or via the Insurance Intermediary or the Investment Adviser, acting in the name and on behalf of Utmost PanEurope under a limited power of attorney) to Utmost PanEurope. This selection is entirely at the Policyholder's own risk.

Under no circumstances may Utmost PanEurope be held liable, in any way, for the switching activities requested by the Policyholder (acting directly or via the Insurance Intermediary (if applicable)).

Specifically, Utmost PanEurope accepts no liability for:

- › the performance of the External Funds
- › any losses, damages or costs (including but not limited to legal fees) in relation to the External Fund units.

7.4 Nomination of Discretionary Fund Manager

The Policyholder may nominate and request Utmost PanEurope to appoint a Discretionary Fund Manager to select the underlying Investment Instruments (shares, equities, funds, etc) of the Personal Fund via the DFM's External Account. Any such nomination must be made in writing in a form agreed by Utmost PanEurope. Utmost PanEurope reserves the right to decline for any reason the appointment of a nominated Discretionary Fund Manager indicated by the Policyholder.

Once appointed by Utmost PanEurope, the Discretionary Fund Manager will (independently of all parties to the Life Insurance Policy) manage the investment in line with the Policyholder's investment objectives and risk profile, via an External Account.

7.4.1 Responsibility of investments - Discretionary Fund Manager option

The appointed Discretionary Fund Manager is responsible for the selection of Investment Instruments to which the Policy is linked via the External Account, and must ensure that all Investment Instruments are in line with the Allowable Investments as outlined by Utmost PanEurope in section 7.8 of these Policy Conditions.

7.5 Nomination of an external Investment Platform

The Policyholder may nominate and request Utmost PanEurope to appoint an external Investment Platform to hold custody of and administer the trades of underlying Investment Instruments (shares, equities, funds, etc) of the Personal Fund. Any such nomination must be made

in writing using a form agreed by Utmost PanEurope. The Insurance Intermediary can then place trades with the Investment Platform on an advisory basis.

Utmost PanEurope reserves the right to decline for any reason the appointment of a nominated Investment Platform indicated by the Policyholder.

7.5.1 Responsibility of investments - Investment Platform option

Utmost PanEurope may not be held liable for the selection of Investment Instruments to which the Policy is linked via an Investment Platform, and such selection must be in line from time to time with the Allowable Investments as outlined by Utmost PanEurope in section 7.8 of these Policy Conditions.

7.6 Dealing Account

7.6.1 A Dealing Account must be opened in the Policy Currency. Additional Dealing Accounts may be opened in different currencies for each cash holding permitted in accordance with 7.8.2 of these Policy Conditions.

7.6.2 A Dealing Account must be used to temporarily hold cash balances to facilitate the payment of fees, charges, withdrawals, purchase and sales of External Funds linked to the Life Insurance Policy, or transfer cash to and from an External Account or an Investment Platform only.

7.6.3 The Dealing Account may also temporarily hold cash balances prior to investment of the Premium into Units and the payment of the Death Benefit or a Surrender Payment by Utmost PanEurope to the Policyholder or a Beneficiary, as applicable.

7.6.4 The Dealing Account is not designed to hold cash balances for any other purpose. If the Dealing Account is used for other purposes, there is a risk that it could lead to the reclassification of the Life Insurance Policy as an investment under Portuguese tax law. Utmost PanEurope accepts no responsibility should the entire Life Insurance Policy or any individual Policy be reclassified.

7.6.5 The Policyholder's Dealing Account forms part of the holdings to which the Value of the Policies is linked. Its main purpose is to facilitate the purchase and sale of External Funds or the transfer of investment to or withdrawals from an External Account or Investment Platform linked to the Life Insurance Policy. Utmost PanEurope retains complete discretion as to where any deposits linked to the Dealing Account may be placed provided always that such discretion is exercised in accordance with Utmost PanEurope's treasury guidelines as amended from time to time. The value of the Policyholder's Death Benefit or Surrender Payment will therefore be partly linked to the value of the Dealing Account which in turn will depend on the following factors such as (but not restricted to):

- (i) the level of activity through the Dealing Account;

- (ii) the amount retained within the Dealing Account;
- (iii) all charges incurred under these Policy Conditions.

The Policyholder should be aware that the value of the Policyholder's Dealing Account and in turn the Value of the Policies may be adversely affected in the event of the default of any third party (such as a bank) holding a deposit placed by Utmost PanEurope. Utmost PanEurope's liability to the Policyholder in such circumstances will be limited to such amounts, if any, recovered from the defaulting third party.

7.6.6 All charges, expenses, costs, any purchase or sale of External Funds linked to the Personal Fund, and all withdrawals and surrenders will be allocated to the relevant Dealing Account.

7.6.7 Utmost PanEurope will on a regular basis, normally monthly, and (subject to Utmost PanEurope's published minimum overdraft level as determined by Utmost PanEurope) take such action as is necessary to clear down any overdraft by the sale of External Funds.

Overdrafts will be cleared in the following order:

- › by transfer of cash from a Dealing Account in another currency;
- › the sale of one or more money market funds, if Utmost PanEurope has previously transferred any excess balances from the Dealing Account to a money market fund;
- › the sale of one or more External Funds selected by the Policyholder or the Insurance Intermediary for this purpose;
- › if the Policyholder has not selected one or more External Funds, or the value of the Policyholder's selected External Fund is insufficient to clear the overdraft, Utmost PanEurope will sell External Funds of its choosing.

Utmost PanEurope reserves the right to sell any External Funds, or request that the Discretionary Fund Manager or Insurance Intermediary appointed to an Investment Platform sells Investment Instruments, at any time to cover monies due to Utmost PanEurope, or to delay purchases to prevent an unacceptable level of overdraft occurring.

Utmost PanEurope retains the right to invest excess cash balances of the Dealing Account into money market funds of Utmost PanEurope's choice.

7.6.8 Where the Policyholder asks Utmost PanEurope to buy or sell External Funds of the Personal Fund, Utmost PanEurope will, subject to Utmost PanEurope's power of delay in these Policy Conditions 13 and 14, allocate, cancel or exchange External Funds in accordance with the Policyholder's request on the next available day on which Utmost PanEurope can deal in those External Funds. Any charges made by the manager or operator of an

External Fund will be passed on to the Personal Fund. This may include, but is not restricted to, any redemption charge or market value reduction applied by the manager or operator. Any such charge will be realised by cancelling the necessary amount of Units in the Personal Fund.

7.6.9 Utmost PanEurope will make a charge in line with Utmost PanEurope's published scale for each purchase of an External Fund or the sale of existing External Funds. Utmost PanEurope may increase this charge in line with any increase in Harmonised Index of Consumer Prices (HICP).

7.6.10 If at the Policyholder's request Utmost PanEurope appoints a third party to manage or act for Utmost PanEurope in relation to, or have custody of, the Personal Fund's underlying Investment Instruments, Utmost PanEurope will not be responsible for any act or failure on the part of such party. Such appointments will also normally be on that party's standard terms for which Utmost PanEurope are not responsible. The fees and costs of such party will be charged to the Personal Fund by cancelling the necessary amount of Units.

7.7 Valuation

7.7.1 Each Personal Fund will be valued by Utmost PanEurope at regular intervals.

7.7.2 Valuations sent to the Policyholder by Utmost PanEurope will normally only show the Value of the Policies. There may be timing differences between the creation or cancellation of notional Units and the purchase or sale of External Funds or Investment Instruments. Such timing differences are accounted for within the operation of the Dealing Account (see Condition 7.6.4).

7.7.3 The value of the External Funds and liabilities which Utmost PanEurope treat as forming part of the Personal Fund will be determined by Utmost PanEurope as follows:

A. VALUATION

(i) (a) For External Funds for which a price at which they can be sold is publicly available on any stock exchange, regulated market or through the manager of any External Fund, the value shall be based on the latest available price in our systems.

(b) In respect of liabilities (for example the value of any overdrawn Dealing Account(s) in accordance with Condition 7.6.4) the value of the principal amount owing together with all interest and charges accrued.

B. DEDUCTIONS AND EXPENSES

(ii) Each Personal Fund shall bear all costs, expenses and liabilities Utmost PanEurope treat as being relevant because they are incurred in relation to the Personal Fund and Utmost PanEurope shall be entitled to deduct from the Personal Fund the following:

(a) Any Policy Charges, and other fees and charges which Utmost PanEurope is entitled to make under Condition 8

(b) All expenses incurred, including bank charges, stockbroker fees, Investment Adviser fees, Discretionary Fund Manager fees (including Custodian fees) and Investment Platform fees, in connection with valuation, maintenance, management and dealing in the External Fund or External Account or Investment Platform of the Personal Fund together with any other expense which in the opinion of Utmost PanEurope's actuary is incurred in the running of the Personal Fund and is a liability of the Personal Fund and is not otherwise taken into account

(c) Where External Funds are bought or sold by the Personal Fund Utmost PanEurope will also make a charge for each transaction, in accordance with Utmost PanEurope's published scale for dealing costs pursuant to Condition 7.6.9

(d) Any other amount owed by the Policyholder to Utmost PanEurope

(iii) Each Personal Fund shall also bear all costs, expenses and liabilities attributed by Utmost PanEurope to it. Utmost PanEurope reserves the right to recover any costs, expenses and liabilities incurred by Utmost PanEurope which are not attributable to any one Personal Fund

(iv) Utmost PanEurope may deduct from any Personal Fund any amount which Utmost PanEurope reasonably believes to represent tax, any levy imposed by statute or by a regulatory body and make provision for any potential or contingent liability, tax or other statutory or regulatory payment which in Utmost PanEurope's opinion it is reasonable to include

(v) Similarly Utmost PanEurope may deduct any costs, expenses and liabilities which have accrued but which have not yet been paid (including any borrowings on account of the Personal Fund and interest accrued thereon).

All amounts will be realised by cancelling the necessary amount of Units in the Personal Fund.

C. INCOME

(vi) Where considered appropriate by Utmost

PanEurope in its sole discretion, Utmost PanEurope will add to the value of the Personal Fund such income (if any) which has accrued in respect of the External Funds or underlying Investment Instruments of the External Account or Investment Platform (as applicable) of the Personal Fund but which has yet to be received.

7.7.4 Unit Price

The Unit Price will be calculated by dividing the total value of the Personal Fund (obtained by applying Condition 7.7.3 and its sub-Conditions above) by the number of Units issued or deemed to have been issued.

7.7.5 Changing External Funds, Discretionary Fund Manager or Investment Platform linked to the Personal Fund

The Policyholder or the Insurance Intermediary may, at the discretion of Utmost PanEurope, select and request to change External Funds of the Personal Fund, from the range described in Conditions 7.8. The purchase and sale of External Funds will normally incur dealing charges and other costs as described in Conditions 7.6.8 and 7.6.9.

The Policyholder may also at any time nominate and request Utmost PanEurope to appoint a Discretionary Fund Manager or Investment Platform to be appointed to hold custody of and/or manage the underlying Investment Instruments linked to the Policy via the Personal Fund.

7.7.6 Discretion Retained by Utmost PanEurope

In relation to the Personal Fund the Policyholder acknowledges and accepts by signing the Application Form that in addition to those areas stated elsewhere in these Policy Conditions, Utmost PanEurope also retains sole discretion in respect of decisions relating to the following, namely, the:

(i) availability of any External Fund, Discretionary Fund Manager or Investment Platform linked to the Personal Fund;

(ii) acceptability of any External Fund, Discretionary Fund Manager or Investment Platform for the Personal Fund;

(iii) acceptability of any proposed 'in-specie' transfer;

(iv) determination of the value of the Personal Fund and the adjustments to be made to the value of External Funds, Discretionary Fund Manager External Account or Investment Platform and the underlying Investment Instruments thereof, or the liability and expenses of the Personal Fund as provided for under Condition 7.7.3 and its sub-Conditions;

(v) value of the External Funds, Discretionary Fund Manager External Account or Investment Platform linked to the Personal Fund;

(vi) determination of the Unit Price;

(vii) taking of independent professional advice;

(viii) choice of independent professional advisers (including, without limitation, the Insurance Intermediary

and/or the Investment Adviser);

(ix) expense (if any) incurred in the running of the Personal Fund; and

(x) minimum amount which is to be retained in cash, and the currency in which cash will be held, in the Personal Fund.

7.8 Allowable investments

7.8.1 Open Architecture investments

The following asset classes are permitted for investment within Apex (Portugal), subject to the definitions of each asset class outlined in Utmost PanEurope's investment parameters document entitled Asset Permissibility, and all other requirements of these investment parameters:

- › Units in an authorised Unit Trust
- › Shares in an Open-Ended Investment Company
- › Collective Investment Schemes (CIS)
- › An interest in an Authorised Contractual Scheme Assets need to be EU UCITS funds or EU non-UCITS funds offered to retail investors.

Where a DFM is appointed on an Advisory basis the same rules also apply to the management of the underlying investments of the Life Insurance Policy.

Where a DFM is appointed on a Discretionary basis, this section 7.8.1 will not apply, and the conditions at section 7.8.3 will apply. Investment platforms and Platform Advisers may only be appointed on an Advisory basis.

7.8.2 Cash holdings and restrictions

Apex (Portugal) does not permit cash investments such as fixed-term or call deposits to be held. Each Life Insurance Policy is issued with a Dealing Account, into which the initial Premium is paid and through which all subsequent transactions (payments of Additional Premiums, investment buys and sells, fees, withdrawals, etc) are channelled. The Dealing Account must only be used for the purposes of such transactions and the payment of fees; it cannot be used to hold cash balances on an ongoing basis (as also outlined in Condition 7.6). Utmost PanEurope may, at its sole discretion, utilise any excess balance to arrange the purchase of additional units of the Life Insurance Policy's existing investments or money market funds of its choosing. Dealing and payment charges will be levied for the placement of such transactions.

7.8.3 DFM External Accounts

Where a DFM is appointed on a Discretionary basis to manage the underlying investments of the Life Insurance Policy, any asset type listed within the investment parameters is permitted to be held, subject to all other requirements of the investment parameters. The cash restrictions at section 7.8.2 shall continue to apply to the use of the Dealing Account, but shall not apply to cash balances held externally by a DFM.

Where an DFM is appointed on an Advisory basis (this includes all appointments of Platform Advisers on external platforms) the restrictions at section 7.8.1 will apply.

7.9 Liability

The Policyholder agrees that Utmost PanEurope and its authorised agents or attorneys (collectively referred to as "Utmost PanEurope") shall not be responsible for any loss or liability to the Life Insurance Policy arising from actions or failure to take action on the part of the Investment Adviser giving rise to any loss in the Value of the Policies howsoever arising (including, but not limited to, failure on the part of the Investment Adviser to produce a reasonable investment return in relation to the Life Insurance Policy).

The Policyholder agrees that Utmost PanEurope is not responsible for any loss or costs arising from, or in respect of, the activities and performance of the Investment Adviser. The Policyholder also agrees not to make or bring about any formal or informal legal claims, complaints or proceedings against Utmost PanEurope in respect of the activities and performance of the Investment Adviser. The Policyholder makes these agreements on the basis of the Policyholder's acknowledgement of the Investment Adviser's clear responsibility in relation to the nomination which the Policyholder has made in the paragraph above.

7.10 Investment risks

- › **Given that the Life Insurance Policy allows for investment in underlying Investment Instruments which comprise assets and funds of different types and levels of risk, the Policyholder shall, prior to making any decision, undertake such due diligence or seek such independent advice, including, without limitation, legal and tax advice, as considered necessary, in order to understand such risks and obtain guidance in relation to such choice**
- › **Regardless of the underlying Investment Instruments in which the Life Insurance Policy is invested, the Policyholder shall exclusively bear the investment risk of the Life Insurance Policy. The Life Insurance Policy does not offer any profitability guarantee, and the value of the Units and of the Value of the Policies can go down as well as up. Past performance is not a guide to future performance. For the avoidance of doubt, the Policyholder's investment risk shall include without limitation, the insolvency risk of the issuer of any Investment Instrument or any custodian or third party responsible for the custody of the Investment Instruments**
- › **If an issuer, custodian or any third party responsible for the custody of the Investment Instruments becomes insolvent it may cause a delay in accessing the investments in the Life Insurance Policy and/or a fall in the Value of the Policies. Utmost PanEurope is not obliged to compensate the Policyholder nor shall it be liable for any loss caused by the insolvency of any such party**
- › **Nothing in these Policy Conditions, the Application Form, the Key Information Document or any other documentation provided by Utmost PanEurope or any correspondence or communication from us in relation to the Life Insurance Policy constitutes a recommendation by us to invest in the Life Insurance Policy or amounts to us providing investment advice of any kind. Utmost PanEurope, or its representatives do not provide investment advice, nor are they liable for the investment risk of the Life Insurance Policy, the financial**

consequences or any other type of consequences arising from this Life Insurance Policy. The Policyholder shall conduct his/her own analysis, studies or verifications or seek professional advice as seen proper for such purposes.

8 FEES AND CHARGES

Below is a description of the fees and charges that may be applicable – full details of charges applied by Utmost PanEurope are available in the Charge Schedule which forms part of the Policy Conditions. In addition, details of charges imposed by the issuer of an External Fund, a Discretionary Fund Manager, Investment Platform or third party for the service they provide can be obtained directly from the nominated Discretionary Fund Manager, Investment Platform or third party, as the case may be.

8.1 Additional Death Benefit Premium Charge

An Additional Death Benefit Premium Charge of 0.05% of the sum of the total premiums paid to date will be applied in case the Policyholder opts to have the Optional UK Additional Death Benefit. This charge will be taken following request by the Policyholder to add the Optional UK Additional Death Benefit as detailed in Condition 9.4 and 11. This charge will also be taken for any additional further premiums paid once the Policyholder is UK resident and has requested to add the Optional UK Additional Death Benefit.

8.2 Establishment Charge

An establishment charge at the percentage rate shown in the Schedule of Policies will be applied to the gross initial Premium (and any Additional Premiums), before allocation. The establishment charge is based on the parafiscal charge applied by the Portuguese Insurance and Pension Funds Supervisory Authority (Autoridade de Supervisão de Seguros e Fundos de Pensões or “ASF”) for new premium payments and is subject to increase should the ASF increase this charge.

8.3 Initial Product Management Charge

An initial product management charge at the percentage rate shown in the Schedule of Policies will be applied to each Premium. This charge is taken as either a one-off payment when the Premium is applied to the Life Insurance Policy or, immediately and every three months thereafter, depending on the Charge Schedule applicable to the Life Insurance Policy. Where the initial product management charge is applied quarterly, it will be deducted at the start of each charge period, for the duration of time specified in the Charge Schedule.

8.4 Ongoing Product Management Charge

An ongoing product management charge will be applied on the Commencement Date and every three months thereafter, at the start of each charge period, for the duration of the Life Insurance Policy. The charge will be deducted at the percentage rate shown in the Schedule of Policies. The basis of calculation will depend on the Charge Schedule applicable to the Life Insurance Policy. Refer to the Charge Schedule for more details.

8.5 Administration Charge

An administration charge will be applicable if the reference value on the Life Insurance Policy is below the amount shown on the Schedule of Policies on the quarterly charge date. The reference value and the corresponding threshold used will depend on the Charge Schedule applicable to the Life Insurance Policy. Refer to the Charge Schedule for more information on this charge.

8.6 Charges on Additional Premium

The establishment charge, initial product management charge and ongoing product management charge applicable to any Additional Premiums will be calculated on the same basis as the Initial Premium, but the rates at which they are charged will be as stated in the Additional Premium Statement (or any replacement thereof) issued in respect of the relevant Premium paid. The charges will be deducted on the next available Dealing Day after the Additional Premium is paid.

8.7 Early Discontinuance Charge

If there is an early termination of all the Policies, including where the termination is caused by either the full surrender of the Life Insurance Policy or the death of the Relevant Life Assured within a within a specified period of a Premium being paid, as detailed within the Charge Schedule, an early discontinuance charge will be deducted prior to payment of the Surrender Value or Death Benefit.

Additionally, where total partial surrenders exceed 75% of total Premiums paid, Utmost PanEurope reserves the right to apply an early discontinuance charge as though the whole Life Insurance Policy had been terminated.

8.8 Dealing Charges

A charge will be made for each sale or purchase of External Funds, at the rate published in the Charge Schedule and as amended from time to time.

8.9 Discretionary Fund Manager Charges

Any fees due to the Discretionary Fund Manager for the service they provide will be deducted directly from the External Account linked to the Policy.

8.10 Investment Platform Charges

The Investment Platform charges vary per Investment Platform, these can include custody charges, bank charges on payments in and out, and switching charges.

Any fees due to the Investment Platform for the service they provide will be deducted directly from the Investment Instruments held on the Investment Platform which are linked to the Life Insurance Policy.

8.11 Third Party Charges

Charges such as switching charges, stockbroker fees, annual management and other charges may apply. Third party charges are reflected in the value of the Units.

8.12 Payment charges

Payments made into or out of the Life Insurance Policy can be made either by telegraphic transfer or SEPA. Premium payments made by either of these methods may incur a charge applied by the Policyholder's bank for processing the payment. If withdrawals or surrender payments are requested, Utmost PanEurope does not currently apply a payment charge. However, Utmost PanEurope reserves the right to introduce a charge in the future. A payment charge of £25 (or currency equivalent) will apply for each fund purchase (under the Open Architecture option), or each time money is transferred to a DFM or Investment Platform, to cover bank costs incurred for those transactions.

8.13 Remuneration of distribution activities

Utmost PanEurope takes all reasonable measures to ensure any fees, commissions or benefits paid for distributing our products do not have a detrimental impact on the client.

8.13.1 Intermediary remuneration

The Insurance Intermediary who assists the Policyholder with the Policyholder's application and throughout the duration of the Life Insurance Policy may be paid a commission. The Insurance Intermediary may receive an initial single commission payment and/or a recurring commission. The Insurance Intermediary and/or Utmost PanEurope shall provide more information about the nature of these commissions upon request by the Policyholder.

8.13.2 Utmost PanEurope employee and third party provider remuneration

Some employees and third party providers of Utmost PanEurope who manage Utmost PanEurope's network of Insurance Intermediaries may be paid a remuneration dependant on the sale of this product. This remuneration can be a percentage of the Premium or a fixed amount per Life Insurance Policy issued. It can also vary depending on the volume of Premium or Life Insurance Policies issued. Most employees and third party providers of Utmost PanEurope are paid a remuneration that is not directly dependent on the conclusion of the Life Insurance Policy. Utmost PanEurope shall provide more information about the nature of these commissions upon request by the Policyholder.

9 APEX (PORTUGAL) PAYMENTS

Utmost PanEurope may make the following payments upon Written Request:

1. Surrender Payment to the Policyholder
 - a. Regular or partial surrender of the Life Insurance Policy
 - b. Full surrender of the Life Insurance Policy.
2. Death Benefit to the Beneficiary.

Utmost PanEurope must be notified by Written Request of any payment requests (preferably using the Apex (Portugal) Withdrawal or Surrender Form, available from Utmost PanEurope upon request). The date of the request is the date of receipt of the Written Request by

Utmost PanEurope. The relevant form, which is available from Utmost PanEurope or the Insurance Intermediary, must be submitted along with payment details and the documentation outlined in the form that the claimant must provide, and any additional information requested by Utmost PanEurope.

Further details of required documentation are available in the Appendix of these Policy Conditions.

9.1 Payment from the Policies

Utmost PanEurope will pay the Death Benefit or Surrender Payment on receipt of a Written Request accompanied by the proper documentation and the subsequent proceeds from the sale of the Units. This will normally occur within 30 working days. Payments will be made in the Policy Currency by electronic transfer, the cost of which must be met by the recipient.

Payment may be delayed due to unusual market conditions or if the units of External Funds or the underlying Investment Instruments are traded infrequently or have reduced liquidity. These circumstances may include difficulty in selling the units of External Funds or the underlying Investment Instruments and exceptional market conditions. Utmost PanEurope will inform the Policyholder of any delays as they arise. Utmost PanEurope will not be liable for any loss or damage caused as a result of a delay.

In exceptional circumstances, if no payment is made by Utmost PanEurope, after 40 days of receipt of the required documentation and subject to Utmost PanEurope's discretion, Utmost PanEurope may re-register units of External Funds or underlying Investment Instruments into the name of the claimant. Utmost PanEurope will be entitled to withhold any portion necessary to meet any tax obligations or outstanding Policy Charges.

If due to exceptional circumstances, and where Utmost PanEurope is unable to transfer the units of External Funds, Utmost PanEurope will hold the External Funds until it is able to sell or transfer the External Funds. During this period, Utmost PanEurope will not pay any interest or other forms of compensation.

External Funds and the underlying Investment Instruments of an External Account or Investment Platform may levy exit fees.

Utmost PanEurope will deduct any income tax or tax charge for which Utmost PanEurope are liable or which Utmost PanEurope are legally obliged to deduct (if any) from any payment before making it.

The Policyholder can specify payments to be expressed as either a fixed amount or as a percentage of the total Premium paid.

The Policyholder must give Utmost PanEurope at least one month's written notice of new or amended instructions relating to regular partial surrenders (preferably using the 'Apex (Portugal) Withdrawal or Surrender' Form, copies of which are available from Utmost PanEurope upon request).

- (b) if the Unit Value would be less than the Minimum Value if any further regular partial surrenders were made.

9.2.3 Adhoc Partial Surrender

Subject to the partial surrender being above the minimum amount set by Utmost PanEurope and published in the 'Apex (Portugal) Product Guide' and 'Apex (Portugal) Withdrawal or Surrender Form', the Policyholder may, at any time, request a partial surrender of the Life Insurance Policy from all the Policies.

9.2.4 Full Surrender of the Life Insurance Policy

11 PORTABILITY

The effectiveness of portability, and the potential for continued tax efficiency, of a Life Insurance Policy is dependent on a wide number of individual circumstances, therefore may not always be possible.

If a Policyholder of Apex (Portugal) intends to become tax resident in the United Kingdom (UK) and would like to take their Apex (Portugal) Life Insurance Policy with them, Utmost PanEurope will make its best endeavours to support changes to the Life Insurance Policy in order to assist potential tax compliance of the Life Insurance Policy in the UK.

IMPORTANT NOTICE IF YOU INTEND TO BECOME UK TAX RESIDENT

For Utmost PanEurope to assist as best it can, **the Policyholder must advise Utmost PanEurope of their intention to become UK tax resident by completing and returning the 'Apex (Portugal) UK Portability Request Form' to the address given below at least six weeks prior to their arrival in the UK.**

The Apex (Portugal) UK Portability Request Form will include the following:

- › A request to Utmost PanEurope to amend the Death Benefit and revoke any appointed Beneficiaries. If this option is exercised the Optional UK Additional Death Benefit shall become payable to the Policyholder on the death of the Relevant Life Assured in accordance with Condition 9.4. Where the Policyholder is also the Relevant Life Assured, the Optional UK Additional Death Benefit

will become payable to the representatives of their UK estate in accordance with Condition 9.4 once all necessary documentation required to prove the entitlement of the representatives in charge of the estate to receive payment, for example, probate and proof of identity has been received;

Utmost PanEurope will act upon any valid written instruction from the Policyholder within a reasonable amount of time but Utmost PanEurope reserves the right to delay action (including allocation or cancellation of Units by postponing any Dealing Day) if Utmost PanEurope considers it necessary to meet Utmost PanEurope's legal and regulatory responsibilities, or to clarify the appropriate action with the Policyholder, or to clarify the Policyholder's connection to the payee, or circumstances occur which are beyond Utmost PanEurope's control.

14 POWER OF DELAY

The Policyholder reserves the right at Utmost PanEurope's discretion to delay the valuation in whole or in part of the calculation of any Unit Price, any allocation, cancellation or exchange of Units, and any payment under the Policy in whole or in part of, for such period as Utmost PanEurope may require to complete any necessary sale or valuation of assets of the Personal Fund.

Utmost PanEurope may also delay the actions set out above in the event of an emergency (such as communications with Ireland or Utmost PanEurope being seriously disrupted or Utmost PanEurope having to vacate its Headquarters for some time).

In making decisions and exercising this discretion, Utmost PanEurope will act reasonably and with proper regard to the need to treat the Policyholder and Utmost PanEurope's other customers fairly.

15 PROOF OF OWNERSHIP

17 ALTERATION

Utmost PanEurope will have the right to reduce the number of Units allocated to the Life Insurance Policy and/or to make such alterations in terms of the Life Insurance Policy as Utmost PanEurope, having taken into account the views of Utmost PanEurope's actuary and with due regard to the interests of all Policyholders, think fit in the event of:

- (a) any tax or levy becoming payable or other liability arising in respect of either Utmost PanEurope's activities or the operation of the Policy or underlying assets of the Personal Fund to which the Policy may be linked;
- (b) any change of law and particularly, without affecting the generality of this Condition, any change in the law or established practice relating to taxation; or
- (c) any material change of circumstances, or the occurrence of any event which in Utmost PanEurope's opinion makes

it impossible, impracticable or grossly inequitable fully to comply with all the terms of the Policies or any stated or established practice with respect to the operation of the Personal Fund or its valuation.

This Condition will override any other part of these Policy Conditions with which it is inconsistent.

18 MISTAKES

If due to any error Utmost PanEurope pays the Policyholder or credits the Policyholder's Life Insurance Policy with too much or too little cash or assets, then Utmost PanEurope may take one of the following actions to correct the position:

- (a) for asset errors Utmost PanEurope shall add or remove linked assets, as appropriate, to the value of the error; or
- (b) for cash underpayment errors Utmost PanEurope may credit the Policyholder's Life Insurance Policy with the amount of the underpayment or send the Policyholder a further payment for that amount; or
- (c) for cash overpayments Utmost PanEurope may deduct the Policyholder's Life Insurance Policy with the amount of the overpayment or ask the Policyholder to repay that amount directly to Utmost PanEurope.

In the case where Utmost PanEurope requests repayment from the Policyholder, the Policyholder irrevocably agrees to make such repayment without delay and agrees that Utmost PanEurope shall add any costs, including loss of interest, that Utmost PanEurope may incur in recovering the debt from the Policyholder should the Policyholder, without Utmost PanEurope's prior written agreement, fail to make the requested repayment within 30 Working Days of Utmost PanEurope making the request.

19 FORCE MAJEURE

Utmost PanEurope will not be in breach of these Policy Conditions, nor liable for delay in performing, or failure to perform, any of Utmost PanEurope's obligations under these Policy Conditions, if such delay or failure results from events, circumstances or causes beyond Utmost PanEurope's reasonable control (including, without limitation, the occurrence of any pandemic or outbreak), and in such circumstances the time for performance will be extended accordingly.

20 CURRENCY AND CURRENCY CONVERSION

When required under the terms of the Life Insurance Policy, or where the Policyholder requests the conversion of an amount denominated in one currency into another currency, the conversion will be based upon a rate of exchange available from Utmost PanEurope's bankers at the time when the currency conversion is made. The cost of any such conversion will be attributed to the Policyholder by cancelling the necessary amount of Units.

For administrative convenience Utmost PanEurope will calculate any minimum amounts applicable to the Policy (including the Minimum Value), all Policy Charges and the Total Invested Amount applicable to the relevant Premium, at notional conversion rates as determined by Utmost PanEurope and published from time to time.

21 CHANGE OF CONDITIONS

Except as provided in Condition 17, and unless otherwise provided in this document, none of these Policy Conditions may be waived or modified except by agreement between the Policyholder and Utmost PanEurope and confirmed by a written variation issued by Utmost PanEurope and signed by a duly authorised official.

22 ROUNDINGS

All other calculations may be rounded up or down by Utmost PanEurope by an amount not normally involving an adjustment of more than 0.1%. 30 SUSTAINABILITY RISKS ON INVESTMENT DECISIONS

Under Regulation (EU) 2019/2088 of the European Parliament and of the Council (the "SFDR"), Utmost PanEurope dac ("Utmost PanEurope") is required to make certain disclosures on how it integrates sustainability risks into its investment decision-making process and how it considers adverse impacts of its investment decisions on sustainability factors. Sustainability risk is defined as an "environmental, social or governance event or condition that, if it occurs, could cause an actual or a potential material negative impact on the value of the investment". Sustainability factors mean 'environmental, social and employee matters, respect for human rights, anti-corruption and anti-bribery matters.

In relation to its investment based insurance products, Utmost PanEurope plays a passive role regarding policyholder investments and does not make investment

decisions for policyholders, nor does it play a role in recommending or advising on investment selection.

Accordingly, Utmost PanEurope does not consider any adverse impacts of its investment decisions on sustainability factors.

Where Utmost PanEurope offers the policyholder the ability to direct the investment choice on a product, either via a list of funds approved by Utmost PanEurope, or on an "open architecture" basis, the policyholder is responsible for the investment choice and setting the appropriate investment strategy. Utmost PanEurope invests in the underlying investments in accordance with this investment choice.

Where Utmost PanEurope's investments are managed on a discretionary basis, management of those investments may be delegated to a number of regulated discretionary fund managers.

Utmost PanEurope's investments have been selected by discretionary fund managers, who ensure that investment decisions are aligned to the risk profiles and investment objectives of Utmost PanEurope's policyholders.

Accordingly, Utmost PanEurope does not actively engage with investee companies in its portfolios and relies on its appointed discretionary fund managers to do so.

Utmost PanEurope may set or describe a 'standard' investment strategy that policyholders may select.

However, Utmost PanEurope will delegate the portfolio management of that strategy to its appointed discretionary fund managers.

Therefore, as Utmost PanEurope does not make investment decisions, it does not integrate sustainability risk into its investment decision-making process or consider adverse impacts of investment decisions on sustainability factors.
