C DECLARATION OF RESIDENCE OUTSIDE OF IRELAND

OPTIONAL

This must be completed by policyholders resident outside of Ireland who own an Utmost PanEurope dac bond.

Each policyholder must read the definitions below and complete the declaration.

RESIDENCE - INDIVIDUAL

An individual will be regarded as being resident in Ireland for a tax year if they:

- 1) spend 183 days or more in the State in that tax year; or
- 2) have a combined presence of 280 days in the State, taking into account the number of days spent in the State in that tax year together with the number of days spent in the State in the preceding year.

Presence in a tax year by an individual of not more than 30 days in the State will not be reckoned for the purpose of applying the two-year test. Up to 31 December 2008, presence in the State for a day means the personal presence of an individual at the end of the day (midnight). **From 1 January 2009, presence in the State for a day means the personal presence of an individual at any time during the day.**

ORDINARY RESIDENCE - INDIVIDUAL

The term "ordinary residence" as distinct from "residence" relates to a person's normal pattern of life and denotes residence in a place with some degree of continuity. An individual who has been resident in the State for three consecutive tax years becomes ordinarily resident with effect from the commencement of the fourth tax year.

An individual who has been ordinarily resident in the State ceases to be ordinarily resident at the end of the third consecutive tax year in which they are not resident. Thus, an individual who is resident and ordinarily resident in the State in 2004 and departs from the State in that year will remain ordinarily resident up to the end of the tax year in 2007.

RESIDENCE - COMPANY

Prior to Finance Act 2014, company residence was determined with regard to the long established common law rules based on central management and control. These rules were significantly revised in Finance Act 2014 to provide that a company incorporated in the State will be regarded as resident for tax purposes in the State, unless it is treated as resident in a treaty partner country by virtue of a double taxation treaty. While the common law rule based on central management and control remains in place, it is subject to the statutory rule for determining company residence based on incorporation in the State set out in the revised section 23A TCA 1997.

The new incorporation rule for determining the tax residence of a company incorporated in the State will apply to companies incorporated on or after 1 January 2015. For companies incorporated in the State before this date, a transition period will apply until 31 December 2020.

Policyholders resident outside Ireland are required by the Irish Revenue Commissioners to make the following declaration for the purpose of Section 730 D(2) Taxes Consolidation Act 1997, which is in a format authorised by them, in order to receive payments without deduction of Irish tax.

I/we* declare that;

- › I/we* have read the explanation of the terms detailed in the 'Residence Definitions' above;
- › I am/we are/the company is* the policyholder in respect of which this declaration is being made;
- › I am/we are/the company is* not resident or ordinarily resident in Ireland.

*Delete as appropriate.
