## CHARGING INFORMATION

- › The Appointment Fee plus VAT may be paid direct to our fees account below provided it is clearly referenced with the Settlor's name. Alternatively, it may be paid by a separate cheque payable to Utmost Trustee Solutions Limited and accompany the original Trust application form. If the Appointment Fee is to be deducted from the initial premium, prior to investment, a written instruction to do so can be included on the application form.
- › The Annual Trust Administration Charge is normally deducted from the bond at or around the anniversary of the trust, when the Trustee conducts its periodic review. If you have opted to pay this annual charge separately we will send you a request for payment which you can make by cheque or bank transfer. Our bank account details are as follows:

Account name: **UTMOST TRUSTEE SOLUTIONS LTD FEES**

Account number: **58188430**

Sort code: **16-58-80**

Please ensure your payment is referenced with the invoice number and TR (trust) number.

Payment is due within 30 days of the date of the invoice, and the Trustee reserves the right to deduct any outstanding fee from the bond without further notice if necessary.

For cases where the annual fee is deducted directly from the bond we will send you a copy of the receipted invoice for your records. Please remember that as the deduction of a trust fee from the bond is a withdrawal, it may in some circumstances, create a chargeable (taxable) event.

- › Our standard fixed charges cover the day to day administration of the trust and bond, including periodic trust and investment reviews, switch requests, routine correspondence or information requests, standard terminations of trusts by assignment of policies to beneficiaries or transfers of trusteeship if appropriate. Occasionally however circumstances arise in respect of a particular trust or estate which requires substantial additional work by the Trustee which is not covered by our standard charge and requires to be charged for on a time cost basis. Examples of such circumstances include submitting 10th anniversary returns to HMRC for discretionary trusts which require them, arranging payment of tax charges if required, dealing with complex or protracted estate matters which affect the disposition of the trust fund, tracing missing beneficiaries or dealing with large numbers of individual beneficiaries. We will always inform you (or the beneficiaries) in advance if we anticipate that an activity based

charge may be necessary to deal with a particular set of circumstances or request. Please see page 2 for the current hourly rate.

- › Where there are multiple beneficiaries, the Trust Termination Charge will be applied before the first distribution is made.
- › Prior to investment and/or distribution, Utmost Trustee Solutions may place client monies in a general client bank account. We may earn interest on money held in the general client bank account and such interest is retained by us.
- › Utmost Trustee Solutions reserves the right to revise its charging structure subject to providing three months' notice.

Trust fees deducted from the bond are treated as withdrawals for tax purposes.

## IMPORTANT INFORMATION

- › Utmost Trustee Solutions reserves the right to decline an appointment as trustee without explanation.
- › Utmost Trustee Solutions is unable to accept appointments as trustee for any regular premium policies.
