**B INVESTMENT DETAILS**

Depending on your policy conditions, you may be able to change from being invested in internal funds to external funds or cash deposits. If you are only invested in internal funds and you choose any external funds or cash deposits, your bond value must be at least £50,000. To do this we will need to create a Dealing Account and this means it will take longer to process your instructions than a standard switch and will usually result in higher charges on your investment.

Some products cannot hold external funds or cash deposits, please check your **Product guide** for investment details or contact our Customer Support team on **+ 44 (0)1624 643 345**.

**1 EXTERNAL FUNDS ONLY**

Where applicable, please include confirmation of SEDOL codes, share class e.g. 'A', 'B', or 'C', and unit class e.g. 'Accumulation' or 'Income'. Unless otherwise instructed, where relevant we will purchase 'A' class shares and 'accumulation' units. If 'Income' units are selected, the fund manager will be requested to pay all income as cash, which will be credited to your Dealing Account.

Utmost Limited cannot permit fund-based commission to be paid to investment advisers, and any commission that would otherwise be available will be reinvested for the benefit of the policyholder.

There are higher administration charges for bonds with a Dealing Account. If you have chosen any external funds or cash deposits we may contact you to confirm that you are aware of the increase in policy charges. This may result in a delay in processing your instructions.
