PAYING FOR YOUR ADVICE

Your financial adviser will have explained to you that advice in relation to this additional premium cannot be paid for by commission but only through charges for advice. The choices you have for the payment of adviser charges will depend on the type of bond you hold. Your existing investments and any existing commission paid to your financial adviser can continue unaffected.

Where, subject to your product type, you are requesting that we facilitate any adviser charging, you will need to complete the Adviser Charges section at the back of this application form to authorise us to make any adviser charging payments to your financial adviser.

- › **Evolution:** We will only facilitate initial adviser charges outside the bond by deducting it from the payment you send to us and paying it to your financial adviser, with the balance being invested as the additional single premium into the bond.
- › **Regular Investment Account:** We will only facilitate initial adviser charges outside the bond by deducting it from the payment you send to us and paying it to your financial adviser with the balance being invested as the additional single premium into the bond.
- › **Other products:** We will not be able to facilitate any charges for advice either outside or from the bond. You will have to arrange to pay any charges for advice direct to your adviser.

PRODUCT CHARGES - FLEX-CHARGE

Your additional single premium will be set up on our Flex-Charge basis. Our product charges have changed to take account of the introduction of adviser charging rather than commission and enhanced allocations. The charges for your additional premium may be different to those described in your original policy documentation and will be shown on the Additional Single Premium Statement that we will send to you.

For further details of adviser charging and our Flex-Charge please speak to your financial adviser or read our **Guide to Charges** available on our website www.utmostwealth.com or from your financial adviser.

IDENTIFICATION REQUIREMENTS

Under Isle of Man Anti-Money Laundering regulations, we are required to verify the identity and address of all parties associated with the policy. The payment of an additional single premium represents a change to the policy, which requires us to bring evidence of verification of identity and address up to current standards.

If the application is being signed under a Power of Attorney, we will require a certified copy of the Power of Attorney document and the identity and address of the attorney will be verified as well as the policyholder. We will also need to know the reason for granting the Power of Attorney.

D ADDITIONAL INVESTMENT AMOUNT (Please complete in all cases)

1. ADDITIONAL SINGLE PREMIUM AMOUNT

£/US\$/€/HK\$/SEK*

(*Please delete as applicable)

Please speak to your financial adviser for details of the minimum additional single premium amount applicable to your policy.

If the premium is received in a currency that is different to the bond it will be converted to the currency of your contract at the exchange rates applicable at the time.

If you are paying by cheque, please make it payable to Utmost Limited. If it is a non-personalised cheque, the company name must be written on the front (e.g. Utmost Limited ref. ABC Limited). **If the payer of the premium is not the policyholder then we will need to know why a third party is making the payment, and will normally require verification of the identity of the payer. Third party premium payments are subject to our approval.**

Please note that non-sterling cheques can take a considerable period of time to clear through the banking system and will result in a delay in investment. Sterling cheques over £100,000 require three days clearance.

If you ask us to facilitate an initial adviser charge to your financial adviser before the premium is invested, the amount you send to us must total at least the minimum additional single premium amount as stated in the product literature, plus the agreed initial adviser charge. Please speak to your financial adviser for the current minimum amounts.

Once your premium has been received in our bank account, if any interest is earned on your premium before the additional single premium is issued, an extra allocation of units may be added to your investment at the time the additional single premium is issued. Where you exercise your right to cancel the additional investment during the 30 day cancellation period the amount you receive back, will be less any adviser charges paid to your financial adviser, without any interest being added. Please speak to your financial adviser for further details.

Important Note: your additional single premium will not start until we have received all outstanding requirements, including cleared funds.

If you want to pay by BACS, CHAPS or telegraphic transfer, please contact your bank separately to send the payment to us. Our bank details are below, please ensure that the payment is sent DIRECT to Utmost's bank account.

We will only make payment of any initial adviser charge to your adviser once the additional application and any additional supporting documentation has been fully accepted by us. No interest will be paid on any adviser charges being facilitated by us outside of the bond.

These are our preferred payment methods but please note that your bank may charge you for some of these services.

You can only choose from funds that are in the Tailored Selection and Utmost Fund Collection ranges.

Switches into or from these funds are currently free of charge. However, some of the underlying funds that we 'mirror' carry a charge on investing in the fund. All deductions (e.g. charges, withdrawals etc) will normally be taken by cancelling units across all funds. If you want to choose a fund to sell units to cover withdrawal payments, please provide the full name in the box below.

C – OPEN ARCHITECTURE

Drip-feeding and Portfolio Rebalancing are not available with this option. Open Architecture is not available with the Regular Investment Account.

This section allows the value of the bond to be linked to the performance of numerous external funds and cash deposits in addition to a limited amount of funds in our Utmost Fund Collection. Please refer to our website www.utmostwealth.com for details of the funds available.

For funds in our Utmost Fund Collection, the minimum investment per fund is £500. Please note that our Tailored Selection funds are not available. Please see our **Guide to Charges** for further details of charges for buying and selling external funds and cash deposits. We do not currently apply a charge for buying and selling funds within the Utmost Fund Collection.

For external funds and cash deposits, the minimum investment varies according to the fund manager. Your investment will be governed by the rules of the underlying investment as applied by the fund or deposit provider.

Where relevant, we will purchase accumulation units unless otherwise instructed. If income units are selected, the fund manager will be requested to pay all income as cash which will be credited to the Dealing Account.

It is important to write the percentage of the net premium to be invested in each chosen fund, after any initial adviser charges have been deducted if applicable, rather than a monetary amount.

DEALING ACCOUNT

A Dealing Account will be set up if you invest in one or more external funds or in a cash deposit. All transactions (including charges and withdrawals) will go through this Dealing Account and it may become overdrawn from time to time. In these circumstances we will sell sufficient funds to clear the negative debit balance.

Please indicate in the box below which funds you would like us to sell in these circumstances.

If no funds are selected, we will automatically sell units from the fund within the portfolio with the highest value at the time of sale.

If you choose an external fund to clear a negative debit balance, each sale will be subject to the prevailing dealing fees.
