## TERMS OF BUSINESS STATEMENT & APPLICATION FORM FOR INTERMEDIARIES

Any reference in these Terms of Business to an agreement or document shall be construed as a reference to that other agreement or document as the same may have been or may from time to time be amended, varied, supplemented or notated.

The heading of the clauses and paragraphs are inserted for ease of reference only and shall not affect the interpretation or construction of these Terms of Business.

### 3 SCOPE

3.1 By placing Business with the Company following receipt of these Terms of Business, the Intermediary will be deemed to have accepted them as applying to that Business, and they will take precedence over any Terms of Business the Intermediary may have sent to the Company. The Company will not accept Business on any other basis. The Company's decision as to what constitutes acceptance is final.

3.2 In entering into these Terms of Business, the Company does not undertake to accept all Business introduced and reserves the right at its discretion not to accept Business. The Company will not accept Business from an Intermediary who ceases to be Authorised.

3.3 The Intermediary shall comply with all applicable Relevant Laws, including but not limited to the Bribery Act 2013 of the Isle of Man, the Bribery Act 2010 of the United Kingdom, the Modern Slavery Act 2015 of the United Kingdom, the Anti-Money Laundering and Countering the Financing of Terrorism Code 2015 (as amended) made under the Proceeds of Crime Act 2008 and the Terrorism (Finance) Act 2009 of the Isle of Man and the Isle of Man Government Financial Services Authority Guidance Notes on the Prevention of Money Laundering (and all Codes, Legislation and Guidance Notes issued in substitution thereof or in amendment or addition thereto) and any requirements of the Company or of the Regulations from time to time notified to the Intermediary.

3.4 The Intermediary is the agent of the Customer and has no authority to act in any way on behalf of the Company. In particular the Intermediary has no authority to collect premiums on behalf of the Company or to advertise any of the Company's products other than in its normal course of business as an agent of the Customer.

3.5 The Company will treat your customers as Retail Customers. An Intermediary who wants the Company to treat their customer other than as a Retail Customer, must make a written request to the Company.

3.6.1 The Intermediary confirms that all Business introduced under these Terms of Business has resulted from a face to face meeting with the customer.

3.6.2 The Intermediary further undertakes that where this is not the case the Intermediary will notify the Company of the precise circumstances.

3.7 The Intermediary confirms that it will only introduce Business for which it has the necessary permissions.

3.8 The Intermediary will indemnify the Company against any loss sustained as a result of the Intermediary acting outside the authorisation of this agreement howsoever this arises.

3.9.1 Evidence of the identity and address of all Customers introduced by the Intermediary will have been obtained and recorded under procedures maintained by the Intermediary in accordance with the Anti-Money Laundering and Countering the Financing of Terrorism Code 2015 (as amended) made under the Proceeds of Crime Act 2008 and the Terrorism (Finance) Act 2009 made under the Criminal Justice Act 1990 and the Isle of Man Government Financial Services Authority Guidance Notes on the Prevention of Money Laundering (and all Codes, Legislation, and Guidance Notes issued in substitution thereof or in amendment or addition thereto) and any requirements of

the Company or of the Regulations from time to time notified to the Intermediary. Specifically, the Intermediary will provide the original or Suitably Certified copy documents that verify the identity and address of all Customers for a business relationship. The Intermediary will also provide Suitably Certified documentation for any corporate or trustee applicants as required by the Company.

3.9.2 The Intermediary will identify the immediate and ultimate source of all contributions paid or intended to be paid together with a complete audit trail to such standard as shall be specified by the Company, and will without detracting from the obligations referred to above, forward to the Company before the contract is completed such duly completed form(s) relating to source of funds and Suitably Certified copies of identification documents for any third party as the company shall require from time to time. The Company shall not be responsible for any errors or omissions of the Intermediary in the provision of this information. Upon request, the Company may view or request and be provided with copies of documentation obtained by the Intermediary to verify the identity of any third party.

3.9.3 The Intermediary when submitting Business will notify the Company in all instances where it has not been possible to verify the Customer's identity, and supply an explanation for why verification was not possible.

3.9.4 The Intermediary shall maintain for each Customer all documentation required under 3.9.1 for a period of 6 years after termination of all Policies issued to that Customer.

### 4 ADVISER CHARGES

4.1 All contractual obligations in relation to a personal recommendation and Adviser Charges are between the Customer and the Intermediary. However, the Customer may request that the Company facilitate payment of an Adviser Charge to the Intermediary on the Customer's behalf by providing a Customer instruction to the Company in writing.

4.2 The 'Adviser Charges' section of the Company's Application Form and/or other supplementary form(s) must be completed and signed by the Customer in every case.

4.3 The facilitation and/or scope of Adviser Charges or related services provided by the Company under these Terms of Business shall be at the discretion of the Company; the Company can refuse to facilitate an Adviser Charge or make such payments subject to conditions from time to time. Adviser Charges will usually be facilitated through withdrawals from the Customer's Policy and not otherwise. Adviser Charges may be paid from funds supplied by the Customer in addition to the Policy premium subject to the Company's written agreement. The Adviser Charge will usually be made following the formal issue of the Policy, the acceptance of an additional premium to an existing Policy and in such other circumstances which may from time to time be agreed in writing between the Company and the Intermediary.

4.4 In order for the Company to consider whether it will facilitate any Adviser Charge, the Intermediary and the Customer must agree to provide the Company with any reasonable information it may request.

4.5 Subject to 4.17 below, the Company will facilitate an Adviser Charge at the rate, frequency and duration contained in the Customer instructions. If the Company should not receive a Customer instruction confirming the level, frequency and duration of the required Adviser Charge, such business shall be deemed to have been accepted on terms that do not include the facilitation of any Adviser Charge.

4.6 In facilitating the Adviser Charges requested, the Company will abide by any Regulatory Requirements that it considers are appropriate to the business written.

## TERMS OF BUSINESS STATEMENT & APPLICATION FORM FOR INTERMEDIARIES

4.7 Where the Company has written instructions to pay an Adviser Charge from the Customer's Policy, Adviser Charge deductions may not be made by the Intermediary in respect of that Adviser Charge before forwarding any premium to the Company.

4.8 The Company's Policy charges will be deducted from the value of the Policy before any Adviser Charge is payable. The Intermediary may request payment in a different currency to the Policy currency link but the exchange rate risk rests with the Intermediary.

4.9 The Intermediary must disclose to the Customer, in accordance with the Regulatory Requirements, the actual amount of Adviser Charges to be paid by the Customer. The Intermediary must secure the Customer's agreement to the rate, frequency and duration of the Adviser Charge before obtaining the Customer's authorisation for the Company to facilitate payment of the Adviser Charge.

4.10.1 In determining the Adviser Charge rate to be applied, the Company will abide by any statute, statutory instrument, rule, regulation or code of practice that it considers is appropriate to the Business written.

4.10.2 Adviser Charge deductions may not be made by the Intermediary.

4.10.3 The Company reserves the right to disclose the Adviser Charges in whatever format it decides, to the Customer.

4.11.1 The Company's statement of account (which may be contained in writing, disk, tape, direct on-line communication to computer terminal, or any other method of communication agreed by the Company and the Intermediary) shall be the record of Adviser Charges due to the Intermediary.

4.11.2 In the event of the Intermediary ceasing to be authorised, or where they or the Customer notifies the Company that he is no longer to be an agent of the Customer or if the Terms of Business agreement is terminated pursuant to 10.1 of these Terms of Business, the Company reserves the right to cease paying Adviser Charges.

4.12 The Company shall use all its reasonable endeavours to ensure that the Intermediary's account with the Company, and the Business introduced on behalf of its Customers, shall be administered in an efficient and business-like manner. However, the Intermediary accepts that errors and omissions may occur from time to time. In such circumstances, the Adviser Charge payable to the Intermediary (or any fees payable direct by its Customer) shall remain the sole source of remuneration for the Intermediary and the Company shall not accept liability for any further claims for additional remuneration or compensation from the Intermediary or from its Customers.

4.13 The Company will facilitate the Adviser Charge promptly. The Company will only pay the Adviser Charge provided it is in accordance with the Customer's instructions, the Terms of Business and where there are sufficient funds in the Policy or premiums received to allow the Company to facilitate payment. The Adviser Charge will not be paid to the Intermediary before Policy issue.

In the event of the following, the Company will cease to facilitate the Adviser Charge:

- a) The Customer instructing the Company to stop facilitating payment of the Adviser Charge; or
- b) The Intermediary ceasing to be Authorised under Applicable Laws by the relevant Regulatory Authority; or
- c) The Intermediary or the Customer notifies the Company that they are no longer to be an agent of the Customer or if the Terms of Business are terminated pursuant to Clause 10 of the Terms of Business, the Company will cease to facilitate the Adviser Charge.
- d) Reasonable grounds exist to doubt the fitness of the

Intermediary;

- e) The Company decides that, in its absolute discretion, the payment becomes contrary to the general principle of investor protection or treating customers fairly. In such circumstances, the Parties acknowledge that the Company may be required to report to a Regulatory Authority on the level and scale of charges, but such action should not suggest or imply that the Company has responsibility for assessing or supervising the appropriateness or reasonableness of the Adviser Charge;
- f) The Intermediary goes into liquidation or receivership or becomes subject to an administration order other than for the purposes of a solvent amalgamation or reconstruction;
- g) The Policy is terminated for any reason whatsoever.

Notwithstanding the above, the Company reserves the right to cease facilitating the Adviser Charge at any time without giving reasons. For the avoidance of doubt, the Company will have no liability for outstanding Adviser Charge payments owed by the Customer to the Intermediary.

4.14 The Company has no liability for outstanding Adviser Charge payments owed by the Customer to the Intermediary as the obligation to make such payments remains a matter between the Customer and the Intermediary. Whilst the Company will endeavour to facilitate payment of Adviser Charges where it agrees to do so, it is acknowledged that there may be circumstances where it is not possible for the Company to carry out the agreed payment instructions or they are delayed (as a result of, for example, insufficient liquidity, Court Orders and legislative or regulatory requirements). In such circumstances, it is acknowledged that the Company will not be responsible for such delay or non-payment and the Customer shall remain liable to the Intermediary.

4.15.1 In the event the Customer appoints a third party Adviser as a replacement Intermediary at any time, the Company may cease to facilitate Adviser Charges and shall have no liability for outstanding Adviser Charge payments which may be owed by the Customer to the Intermediary.

4.15.2 Where there is a change of Adviser from the Intermediary, the Company will in the absence of clear existing instructions by the Customer with regard to this circumstance, require a new Customer instruction to facilitate further Adviser Charges to the new Adviser.

4.16 It is the responsibility of the Intermediary to ensure it is appropriately Authorised with the relevant Regulatory Authority and has the appropriate permissions to carry out the services in their contract with the Customer and receive the Adviser Charges facilitated by the Company. Furthermore, it is the Intermediary's responsibility to ensure that the Adviser Charge is in accordance with Regulatory Requirements, including but not limited to, the requirement that any Adviser Charges paid from a pension scheme must be an authorised payment. In the event of breach of this paragraph by the Intermediary, the Company shall not be liable for refunding any Adviser Charge to the Customer, as the Intermediary agrees it will be responsible to refund or in any way make good a payment which may thereby be owed to a Customer.

Subject to the circumstances set out in paragraph 4.17 below, it is acknowledged and agreed that the Company will not be liable for refunding to the Customer any Adviser Charge that it has facilitated on the Customer's behalf as this is the sole responsibility of the Intermediary.

4.17 The right of an Intermediary to retain any Adviser Charge paid by the Company to the Intermediary is subject to the terms of the agreement between the Customer and the Intermediary and not this Agreement. The Company

## TERMS OF BUSINESS STATEMENT & APPLICATION FORM FOR INTERMEDIARIES

will not be responsible for handling refunds of Adviser Charging arising as a result of the terms reached between the Intermediary and the Customer (eg in the event the Customer exercises his right to cancel) unless as a result of manifest error on the part of the Company.

4.18 In the event of an overpayment being made in error on the part of the Company in paying the Adviser Charge such overpayment is a debt owing to the Company. The Intermediary shall repay the whole or part of the Adviser Charge to the Company within 10 business days of receipt of the Company's written request for repayment. Unless the Adviser Charge is repaid within three months of the date of receipt of the written request, the Intermediary shall pay interest on the Adviser Charge (until it is repaid) at the rate of 2 percent above the standard rate of whosoever the Company bank with. In addition, should any Adviser Charge debt not be repaid within 4 months it will be reported to the appropriate authorities in accordance with any Regulatory Requirements.

4.19 The Company shall have the right to offset any money owed by the Intermediary to the Company against any money owed by the Company to the Intermediary whether in the form of Adviser Charges, Commission or otherwise.

4.20 The Company shall not be required to make any payment in respect of sums owed to the Intermediary until they reach a value of £100 in respect of both Adviser Charging and any other payments payable by the Company, unless otherwise agreed in writing. In any event, the Company shall pay out any sums accumulated which are less than the £100 threshold at a frequency of not less than once a year.

4.21 The Company will normally only make Adviser Charges payments to a party who has a written agreement with us. The Company will permit Adviser Charges payments to a third party subject to:

- a) the Customer providing express written permission to the third party payment; and
- b) the third party being the agent of the Intermediary in accordance with the Regulatory Requirements.

4.22 Pre-existing Commission

The Company will only agree to maintain existing commission payments in relation to a personal recommendation prior to the 31st of December 2012 where to do so would not contravene any regulatory requirement.

### 5 DOCUMENTATION

5.1 The Intermediary must pass on immediately, without amendment, any documentation which is either supplied by the Company for the benefit of or completion by the Customer, or provided by the Customer in relation to the contract.

5.2 When required by the Company, the Intermediary must inform the Company of the name of any Regulatory Authority by which he is authorised, his category of membership, his authorisation number and his location at the time of negotiation and providing advice to the Customer.

5.3 The Intermediary will indemnify the Company against any loss sustained by the Company arising from the introduction of Business beyond the Intermediary's authorisation or from the incorrect provision to the Company of information required by 5.2.

5.4 The Company reserves the right to send communications direct to the Customer.

5.5 The Intermediary must produce to the Company on demand such records, books and accounts as the Company may reasonably require in connection with Business effected with the Company.

5.6 All books and documents and computer software and hardware belonging to the Company and in the possession of the Intermediary must at all times be available to the Company for inspection and be delivered to the Company

by the Intermediary on demand.

5.7 Unless previous authority is given in writing by the Company no Intermediary shall publish, issue, circulate or in any other way authorise or sponsor any advertisement, advertising matter, circular letters, forms or other literature relating to the Business of the Company, printed or otherwise, other than that supplied by the Company or make use of the Company's name in similar promotional activity.

5.8 Unless previous authority is given in writing by the Company no Intermediary may sign or amend documents or policies on behalf of the Company, nor make any arrangements purporting to bind the Company.

### 6 PAYMENT OF PREMIUM THROUGH THE INTERMEDIARY

6.1 The Intermediary is not authorised to collect initial, additional, renewal or any other premiums on behalf of the Company.

6.2 If the Intermediary undertakes to the Customer to pass monies to the Company they must do so promptly.

### 7 ELECTRONIC DATA INTERCHANGE

7.1.1 Where the Company transacts Business with the Intermediary through the medium of an Electronic Data Interchange ('EDI') (such as the Common Trading Platform or other similar service) the Intermediary agrees to abide strictly by the terms of its contract with the service provider.

7.1.2 The Intermediary accepts responsibility for ensuring that any data transmitted to the Company is accurate and complete. The Intermediary agrees to indemnify the Company against any loss arising from transmission of incorrect or incomplete data by the Intermediary.

7.1.3 Where the Company provides information to an Intermediary on behalf of the Customer by means of EDI, the Company does not accept any responsibility for any misinterpretation or misuse of this data by the Intermediary.

7.1.4 Any data provided by the Company will be that held in its records at the time of transmission. The Company does not guarantee that the data provided by EDI or via internet portals or internet services will take account of all business transactions made prior to the date of transmission.

7.2 When no secure (encrypted) EDI is available, the Company will not act on any electronic communication regarding the material transfer of any stock or cash holdings, but it will process non material requests. The receipt of an original signature is required for all material transactions.

7.3 Access authority to EDI systems or via internet portals or internet services will be as specified by the authorised user list provided by the approved service provider. It is the Intermediary's responsibility to ensure that the levels of access given to individuals within its organisation are appropriate to their needs.

7.4 The Intermediary warrants that it will not request bulk and/or real time valuation data from the Company unless it holds a current digital certificate and such certificate should be issued by an organisation acceptable to the Company. The Company will only release such valuation data provided the digital certificate is successfully verified against the digital certificate revocation list and the Intermediary is the current servicing agent for the customers. The Company accepts no responsibility for the authenticity of any digital certificate.

7.5 The Intermediary accepts responsibility for and will ensure all bulk and/or real time valuations provided by the Company to the Intermediary by means of EDI or via internet portals or internet services and passed by the Intermediary to its customers shall contain risk warning notes as set out in such valuations or as required by the FCA.

## TERMS OF BUSINESS STATEMENT & APPLICATION FORM FOR INTERMEDIARIES

7.6 The Intermediary will not modify or amend bulk and/or real time valuation data it receives from the Company by means of EDI or via internet portals or internet services, except to provide it to its customers in an easily readable format.

7.7 The Intermediary shall indemnify, defend and hold harmless the Company against any or all liabilities and or losses directly arising out of or in connection with:

- a) The Intermediary providing its customers with inaccurate or incorrect bulk and/or real time valuation data where the Intermediary has tampered, amended, changed or corrupted the data whether accidental or deliberate other than as permitted in 7.6.
- b) The Intermediary releasing bulk and/or real time valuation data to anyone who is not entitled to receive it.

### 8 VARIATION

8.1 The Company reserves the right to vary these Terms of Business upon giving notice to the Intermediary except in circumstance where changes in law, regulation or the rules of a relevant regulatory body make this, in the opinion of the Company, inappropriate. The Company reserves the right to request Customer details for existing policies where needed to comply with any changes to the regulatory codes.

8.2 Any failure by the Company at any time to enforce its rights or entitlements under these Terms of Business shall not be undertaken so as to waive or in any way forfeit the Company's ability to insist on those strict rights and entitlements subsequently.

8.3 These Terms of Business are personal to the Intermediary and are not capable of assignment by the Intermediary without the consent of the Company. Any change in the name or form of the Intermediary should be notified to the Company immediately.

### 9 SERVICE OF DOCUMENTS

### 10 TERMINATION

10.1 These Terms of Business may be terminated by either party upon giving immediate notice to the other party. Except as herein provided in these Terms of Business; and subject to these Terms of Business no such termination will affect the payment of initial adviser charge due to the Intermediary in respect of Business already introduced to the Company or any liability of the Intermediary to pay any sum to the Company under any of the provisions of these Terms of Business which shall continue for these purposes. Termination of the Terms of Business shall be without prejudice to any other accrued rights and obligations of the parties which shall survive termination.

10.2 Notice of termination must be in writing to the last known address of the other party.

10.3 Notwithstanding anything stated to the contrary elsewhere in these Terms of Business, the following events will cause these Terms of Business to cease immediately

- a) Bankruptcy proceedings (or if corporate body, winding up proceedings or the appointment of a receiver or administrator) being instigated against the Intermediary, or
- b) The suspension, or cancellation, of the Intermediary's authorisation under any appropriate legislation or of the Intermediary's membership of an appropriate body or the exercise by any relevant body of any powers of intervention or restriction on the nature of the Business the Intermediary may carry on.

10.4 In the event of any debt due to the Company being outstanding for a period of 4 months or more, the Company reserves the right to terminate these Terms of Business.

10.5 Upon termination of these Terms of Business, for whatever reason, the Intermediary will forward to the Company Suitably Certified copies of all identification documentation for any existing cases where the Company relied on the Intermediary's Introducer Certificate for the formation of the business relationship with the Customer.
