The Policyholder hereby requests to perform a switch in the Policy.

Please specify the origin of the amount switched (divestments):

DISINVESTED FUNDS FOR THE SWITCH <sup>(1)</sup>	DIVESTMENT AS A PERCENTAGE OF THE NUMBER OF UNITS OF THE FUND ALLOCATED TO THE POLICY <sup>(3)</sup>	DISINVESTMENT IN AMOUNT (IN THE CURRENCY OF THE SELECTED FUND) <sup>(2), (3)</sup>

<sup>(1)</sup> For Internal Dedicated Funds and Specialised Assurance Funds, please insert the reference of the Fund (PCPxxx / Pxxx / SAFxxx / Sxxx) confirmed in the Policy documentation

<sup>(2)</sup> A disinvestment in amount is only possible in case of an Internal Dedicated Fund and/or Specialised Assurance Fund.

<sup>(3)</sup> Please respect the maximum and minimum amounts specified in the General Conditions and the annexes of the Policy.

By default, any divestment from an Internal Dedicated Fund and/or a Specialised Assurance Fund will result in liquidation of the portion of the Fund's Underlying Assets corresponding to the divestment in the currency of the Policy.

**Optional:** Only if the investment is then made in another Internal Dedicated Fund and / or Specialised Assurance Fund, the Policyholder can derogate from this default treatment by indicating his choice below (if applicable, please complete a separate switch request for each divested Fund which deviates from the default treatment):

the divestment request is executed by:

liquidation in a different currency from the Policy currency:

the liquidation in the currencies of each Underlying Asset concerned by the divestment

the transfer of the Underlying Assets concerned by the divestment (provided that they are transferable)

The Policyholder hereby requests the switched amount to be reinvested in the Fund(s) of the Policy selected from the referenced Funds (please check the Fund types and Funds available for your product) as follows:
