DATE OF PRODUCTION 23/01/2019

You are about to purchase a product that is not simple and may be difficult to understand.

### WHAT IS THIS PRODUCT?

The Generation Planning Bond is an international single premium investment bond with a minimum premium of £50,000. It is a capital redemption bond, combined with a trust, managed by your appointed trustees. Your investment purchases units in funds linked to the stock markets and cash deposits and the value will fall and rise in line with these markets and is not guaranteed. This means the trustees may get back less than you invested. It is designed for people who wish to reduce their UK Inheritance Tax (IHT) liability and can afford to give up access to their capital forever, but still need an 'income' from their capital during their lifetime. 'Income' payments are regular withdrawals of capital.

The bond cannot be surrendered during your lifetime. It is designed for single or joint investors who are married or in a civil partnership and have estate planning requirements with a need for an 'income' from their investment. The 'income' payments cannot be amended in any way once set up. It may not be appropriate for you if you have no other form of savings or income. The maximum age for applicants at the start of the bond (before and after underwriting) is 94 years.

## WHAT ARE THE RISKS AND WHAT COULD I GET IN RETURN?

The risk indicator assumes your trustees keep the product for 10 years. The summary risk indicator is a guide to the level of risk of this product compared to other products. It shows how likely it is that the product will lose money because of movements in the markets or because we are not able to pay you. We have classified this product as 1 to 6 out of 7, which is the lowest to the second highest risk class. This rates the potential losses from future performance at a very low to high level. The actual level of risk of this product and how your investment could perform will depend on your choice of underlying investment option(s). This product does not include any protection from future market performance. Your trustees could lose some or all of your investment. If we are not able to pay your trustees what is owed, the trustees could lose your entire investment.

This product cannot be surrendered prior to the death of the settlor(s). However please note there are no surrender penalties associated with this product.

Be aware of currency risk. Payments may be received in a different currency from that of the investment options selected, so the final return will depend on the exchange rate between the two currencies. This risk is not considered in the summary risk indicator shown. 'Income' payments may exceed any growth achieved. Information on the underlying investment options can be found in the relevant fund guides, which should be read before making any investment decisions.

## WHAT HAPPENS IF UTMOST IRELAND DAC IS UNABLE TO PAY OUT?

---

If Utmost Ireland dac were to become unable to meet our liabilities, the UK's Financial Services Compensation Scheme (FSCS) may cover your bond if you are an eligible claimant by being habitually (permanently) UK resident at the time the contract commenced. The cover under the FSCS is normally 100% of the value of the claim with no upper limit. For further information see <http://www.fscs.org.uk> or telephone 0800 678 1100 or 020 7741 4100. There is no insurance compensation scheme available in Ireland that covers Utmost Ireland dac.

As the bond is an insurance product, Utmost Ireland dac owns all the holdings linked to the bond. You do not own the holdings yourself. However, if an institution responsible for the externally-linked holdings or other assets within the holdings linked to the bond were to fail, you may have no right to participate in any compensation scheme. This is because you are not the owner of the holdings linked to the bond. The amount (if any) which Utmost Ireland dac may recover under such a scheme may be substantially less than the amount you may be able to recover if you had owned the holdings directly.

## WHAT ARE THE COSTS?

---

### Costs over time

The Reduction in Yield (RIY) shows what impact the total costs you pay will have on the investment return you might get. The total costs take into account one-off, ongoing and incidental costs.

The amounts shown here are the cumulative costs of the product itself, for three different holding periods. They include potential early exit penalties. The figures assume you invest £10,000, or currency equivalent. The figures are estimates and may change in the future.

The person selling you or advising you about this product may charge you other costs. If so, this person will provide you with information about these costs, and show you the impact that all costs will have on your investment over time.

INVESTMENT £10,000			
SCENARIOS	IF YOU CASH IN AFTER 1 YEAR	IF YOU CASH IN AFTER 5 YEARS	IF YOU CASH IN AT 10 YEARS
TOTAL COSTS	£417 - 1,238	£776 - 4,592	£1,172 - 11,413
IMPACT ON RETURN (RIY) PER YEAR	0.00 - 13.60%	0.00 - 8.03%	0.00 - 7.81%

The actual costs depend on your choice of investment option(s). The information on the underlying investment option(s) can be found in the appropriate fund guide(s), which you should read before making your investment decision.

## HOW LONG SHOULD I HOLD IT AND CAN I TAKE MONEY OUT EARLY?

---

This capital redemption bond has a maximum term of 99 years. You cannot surrender the bond. It can only be surrendered after your death (or last death if a joint application). There is a requirement to take money out, in the form of regular withdrawals. These payments are set up at the start and cannot be amended in any way. There may be tax payable when money is taken out, depending on your personal tax circumstances. You currently have 30 days from the day you receive the 'Your Right To Change Your Mind' form to cancel the bond. However, if there has been a fall in value you will not receive back the full amount invested.

## OTHER RELEVANT INFORMATION

---

Before applying for the Generation Planning Bond please make sure you have spoken to your financial adviser and they have answered any questions you may have. Guides and product brochures are available on our website [www.utmostwealth.com](http://www.utmostwealth.com). Alongside this Product Key Information Document, we have also made available the information document(s) for your selected underlying investments. Please note that for some of the underlying investments you can choose to link to your bond, the documents have been produced to meet different regulations applying to fund houses. Where this is the case, whilst the information on the costs of the underlying funds is similar to that provided in a PRIIPs fund document, this information may be presented and calculated differently.
