Refer to our website www.utmostinternational.com for details of the funds available and the relevant SEDOL or ISIN codes. Ensure that the full fund name and fund references are provided.

Certain funds require completion of the **Investor Declaration Form** which is available from your financial adviser on request.

Any missing information will result in a delay in investment. Requests to link the value of the bond to any fund in which we have not previously traded will firstly need to go through our Asset Onboarding process. Investment cannot be made until this process is complete.

Where relevant we will purchase accumulation units unless otherwise instructed. If income units are selected, the fund manager will be requested to pay all income as cash which will be credited to the Dealing Account.

L2 CASH DEPOSITS

Bank/Building Society	Full name of deposit account including currency	%
<input type="text"/>	<input type="text"/>	<input type="text"/>
<input type="text"/>	<input type="text"/>	<input type="text"/>

If you choose to invest in cash deposits and funds the combined total should equal 100%. For example, 30% cash deposits and 70% funds. Please note rates are not guaranteed.

L3 DEALING ACCOUNT

Cash to be retained in Dealing Account to cover charges and withdrawals.

If you do not specify an amount to be left in the Dealing Account the investment amount calculated will be net of any initial charges.

If you are investing 100% into a fixed term deposit, there must be enough cash held back to cover bond charges, withdrawals and adviser charges for the duration of the deposit term. For example, if you are investing into a 12 month fixed deposit, the cash amount specified must cover 12 months' worth of charges.

Please specify either a cash amount OR a percentage amount, ensuring that the overall combined investment allocation instructed in this section L equals 100%. This will be the cash amount initially retained to cover charges and withdrawals, and will be retained net of any initial policy and dealing charges. Once this amount has been exhausted, the overdraft clearance methodology you specify below will take effect.

L4 NOMINATION OF FUNDS TO COVER OVERDRAWN DEALING ACCOUNT

All transactions (including charges and withdrawals) will go through the Dealing Account and it may become overdrawn. In these circumstances, we will sell sufficient funds to clear the negative debit balance.

Indicate in the box below which fund(s) you would like us to sell in these circumstances.
