PAYING FOR YOUR ADVICE

Your financial adviser will have explained to you that advice in relation to this additional premium cannot be paid for by commission but only through adviser charging. As explained below, the choices you have for the payment of advice charges will depend on the type of bond you hold. Where the policyholder is a trustee or a corporate trustee, any advice charges will need to comply with the terms of the trust, and there may be tax implications. Professional advice should be taken. Your existing investments and any existing commission paid to your financial adviser are unaffected.

Where, subject to your product type, you are requesting that we facilitate charges for advice to your financial adviser you will need to complete the Adviser Charges section on page 32 to authorise us to make any adviser charging payments.

- › **Evolution:** Please refer to our **Guide to Charges** which explains the various charging options for advice that we can facilitate on your behalf.
- › **Regular Investment Account:** We will only facilitate initial charges for advice, either from the bond once the additional premium has been invested, or outside the bond by deducting it from the payment you send to us and paying it to your adviser, with the balance being invested as the additional single premium into the bond.
- › **Other products:** We will not be able to facilitate any charges for advice. You will have to arrange to pay any charges for advice direct to your adviser.

PRODUCT CHARGES - FLEX-CHARGE

Your additional single premium will be set up on our Flex-Charge basis. Our product charges have changed to take account of the introduction of adviser charging rather than commission and enhanced allocations. The charges for your additional premium may be different to those described in your original policy documentation and will be shown on the Additional Single Premium Statement that we will send to you.

For further details of charges for advice and our Flex-Charge please speak to your financial adviser or read the **Guide to Charges** available on our website www.utmostwealth.com or from your financial adviser.

IDENTIFICATION REQUIREMENTS

Under Isle of Man Anti-Money Laundering regulations, we are required to verify the identity and address of all parties associated with the policy. The payment of an additional single premium represents a change to the policy, which requires us to bring evidence of verification of identity and address up to current standards.

If the application is being signed under a Power of Attorney, we will require a certified copy of the Power of Attorney document and the identity and address of the attorney will be verified as well as the policyholder. We will also need to know the reason for granting the Power of Attorney.

We are required to verify the identity and address of all trustees. We also need the full names, date of birth and address of all other parties to the trust (for example, the settlors and beneficiaries).

IMPORTANT INFORMATION ABOUT THIS CONTRACT

You need to satisfy yourself that, under any taxation, exchange control or insurance legislation to which you may be subject, you can make this additional investment.

When you submit this application please ensure that you provide us with all residency and citizenship information by completing the separate **Tax Information Exchange Pack for Entities** available from our website www.utmostwealth.com or your financial adviser on request. If you do not provide the information we are obliged to report your investment to the relevant authorities. Please speak to your financial adviser for details.

If you hold a policy that started before **17 March 1998** such as the Prime Redemption Bond, Prime Portfolio Bond or International Portfolio Bond, then making an additional investment may have adverse tax consequences. Please consult your financial adviser for further information.

The contract for the additional investment could be invalidated by any failure to disclose facts which might influence our assessment of this application. If you have any doubt as to whether a fact is relevant then you should disclose it. Any additional information should be in the notes section at the back of this form or on a separate sheet, dated and signed by the authorised signatories.

WHAT TO DO NEXT

Using the checklist on the final page please ensure you have completed all of the relevant sections and that you have attached any supporting documents to submit.

Once completed, please arrange for your financial adviser to return this form and any supporting documents to:

D ADDITIONAL INVESTMENT AMOUNT

1. ADDITIONAL SINGLE PREMIUM AMOUNT

£/US\$/€/HK\$/SEK*

(*Please delete as applicable)

Please speak to your financial adviser for details of the minimum additional single premium amount applicable to your policy.

If the premium is received in a currency that is different to the bond it will be converted to the currency of your contract at the exchange rate applicable at the time.

If you are paying by cheque, please make it payable to Utmost Limited. If it is a non-personalised cheque, the name must be written on the front (e.g. Utmost Limited ref. XYZ Trust). **If the payer of the premium is not the policyholder then we will need to know why a third party is making the payment, and will normally require verification of the identity of the payer. Third party premium payments are subject to our approval.**

We will only make payment of any initial adviser charge to your financial adviser once the additional application and any additional supporting documentation has been fully accepted by us. No interest will be paid on any adviser charges being facilitated by us outside of the bond.

Please note that non-sterling cheques can take a considerable period of time to clear through the banking system and will result in a delay in investment. Sterling cheques over £100,000 require three days clearance.

If you ask us to pay the initial adviser charge before the premium is invested, the amount you send to us must total at least the minimum additional premium amount as stated in the product literature, plus the agreed initial adviser charge. Please speak to your financial adviser for the current minimum amounts.

Due to current low interest rates Utmost Limited does not pay credit interest on premiums received prior to issue. Where you exercise your right to cancel the additional investment during the 30 day cancellation period the amount you receive back will be less any adviser charges paid. Please speak to your financial adviser for further details.

Important Note: your additional single premium will not start until we have received all outstanding requirements, including cleared funds.

If you want to pay by BACS, CHAPS or telegraphic transfer, please contact your bank separately to send the payment to us. Our bank details are below, please ensure that the payment is sent DIRECT to Utmost's bank account.

These are our preferred payment methods but please note that your bank may charge you for some of these services.

B) Is your policy to be managed by an EMC?

If **no**, please give details of your initial fund selection in part 2 below, choosing either Guided Architecture or Open Architecture as appropriate.

If **yes**, a fund choice is not required. If you wish for your investment to be managed by an EMC already linked to your policy, please supply details of the EMC including contact telephone number and contact name (if any).

*please delete as applicable 

If you would like to request the appointment of a new EMC, please ensure that you have completed the separate **Nomination of External Manager and/or Custodian** form. This form is also available from your financial adviser or on request from us.

 On adding further investment into an existing External Managed Account, all advice provided on the linked investments by an Investment Adviser or EMC, including that related to the original premium, will be treated as an EMC Investment Adviser Charge (EMC IAC).

PAYING FOR INVESTMENT ADVICE

The charge applicable for investment advice provided by an Investment Adviser or EMC can be paid:

- › directly by you to the relevant party, or
- › you can request that we (Utmost) facilitate the payment of such charges as non-taxable withdrawals from the bond.
- › Additionally, charges for advice provided by the EMC can be paid from the value of the bond as withdrawals taken by the EMC directly from the externally managed account. In this circumstance you will agree the payments with the EMC directly. As the EMC facilitates the payment of such charges you will not be required to complete the **Adviser Charges Pack**.

Any charges for investment advice that we, or the EMC, facilitate from the value of the bond, will not form part of the 5% annual tax-deferred entitlement. Please see our **Guide to Charges** for more information.

PART 2 – GUIDED ARCHITECTURE OR OPEN ARCHITECTURE

Please refer to your product literature to ensure these options are available to you:

- › **A - Guided Architecture with Drip-feeding or Portfolio Rebalancing**
- › **B - Guided Architecture without Drip-feeding or Portfolio Rebalancing**
- › **C - Open Architecture (Drip-feeding or Portfolio Rebalancing will not be available). A Dealing Account will be set up if you invest in one or more external funds or in a cash deposit.**

Please only complete **one** of the following sections outlining your investment choice. Do not complete all sections.

A – GUIDED ARCHITECTURE WITH DRIP-FEEDING OR PORTFOLIO REBALANCING

Drip-feeding and Portfolio Rebalancing are not available for all products, for further information please refer to your **Product Guide**.

Any Drip-feeding or Portfolio Rebalancing in place will stop when the additional contribution is applied to the bond.

Please use the **Drip-feeding and Portfolio Rebalancing Investment Alteration** form if you would like to apply/re-apply Drip-feeding or Portfolio Rebalancing to your bond. You can only choose from funds that are in the Tailored Selection or Utmost Fund Collection ranges. Drip-feeding and Portfolio Rebalancing can be stopped or changed at any time if you send us instructions in writing.

B – GUIDED ARCHITECTURE WITHOUT DRIP-FEEDING OR PORTFOLIO REBALANCING

The minimum investment per fund is £500 for funds within the Tailored Selection or Utmost Fund Collection ranges. It is important to write the percentage of the net additional premium to be invested in each chosen fund rather than a monetary amount. The net additional premium is calculated as the premium available for investment after any initial adviser charges have been deducted if applicable. Please complete the table below with the selected funds and the percentage to be invested per fund. You can only choose from funds that are in the Tailored Selection or Utmost Fund Collection ranges.

FUND SELECTION - TAILORED SELECTION OR UTMOST FUND COLLECTION RANGES

Please refer to our website www.utmostwealth.com for details of the funds available and the relevant fund reference codes.

Fund name (please give full fund name)	Fund reference	%		

Switches into or from these funds are currently free of charge. However, some of the underlying funds that we ‘mirror’ carry a charge on investing in the fund. All deductions (charges, withdrawals, etc) will normally be taken by cancelling units across all funds. If you want to choose a fund to sell units to cover withdrawal payments, please provide the full name in the box below.

Nominated fund to cover withdrawals

Please note, as there is no Dealing Account, charges for advice agreed to be paid from the bond will only be taken proportionately across all funds.

C – OPEN ARCHITECTURE

Open Architecture is not available with the Regular Investment Account.

This section allows the value of the bond to be linked to the performance of numerous external funds and cash deposits in addition to a limited amount of funds within our Utmost Fund Collection. Please refer to our website www.utmostwealth.com for details of the funds available.

For funds within the Utmost Fund Collection the minimum investment per fund is £500. Please note that funds within the Tailored Selection ranges are not available. Please see our **Guide to Charges** for further details of charges for buying and selling external funds and cash deposits. We do not currently apply a charge for buying and selling funds from the Utmost Fund Collection.

For external funds and cash deposits, the minimum investment varies according to the fund manager. Your investment will be governed by the rules of the underlying investment as applied by the fund or deposit provider.

Where relevant, we will purchase accumulation units unless otherwise instructed. If income units are selected, the fund manager will be requested to pay all income as cash which will be credited to the Dealing Account.

It is important to write the percentage of the net premium to be invested in each chosen fund, after any initial charges for advice have been deducted if applicable, rather than a monetary amount.

DEALING ACCOUNT

A Dealing Account will be set up if you invest in one or more external funds or in a cash deposit. All transactions (including charges and withdrawals) will go through this Dealing Account and it may become overdrawn from time to time. In these circumstances we will sell sufficient funds to clear the negative debit balance, in accordance with the terms set out in our **A guide to Your Investment Options with Utmost**.

Please indicate in the box below which funds you would like us to sell in these circumstances.

If no funds are selected, we will automatically sell units from the fund within the portfolio which is redeemable and has the highest value at the time of sale.

If you choose an external fund to clear a negative debit balance, each sale will be subject to the prevailing dealing fees.

G REGULAR WITHDRAWALS

OPTIONAL

Please complete this section if you want to set up regular withdrawals.

It is important to consider how you will choose to pay adviser charges to your financial adviser when setting up any regular withdrawals. This is because any adviser charges agreed to be paid to your financial adviser, from the bond, will be treated as a withdrawal and will form part of the 5% annual tax-deferred entitlement. This means any adviser charges taken in any policy year will be added to withdrawals requested in order to calculate whether the 5% entitlement has been exceeded. Please refer to the relevant product literature for the level of charges, tax implications, maximum withdrawals and minimum bond values for taking regular withdrawals.

Where requested, VAT can be added automatically (at the applicable rate) to adviser charges taken from the policy. The additional VAT will then increase the level of withdrawal accordingly and may further impact the tax position as described above.

Should the VAT rate change you should be aware that we are only able to apply the VAT rate applicable at the date we make the adviser charge payment and not the date of any invoice raised by your adviser. To avoid any VAT rate differences, the date of any invoice raised by your adviser should align with the payment date. Should any differences arise, any under or overpayments must be resolved between you and your adviser. Please speak to your financial adviser for more information.

Regular withdrawals will be taken equally across all policy segments.

Minimum £200 per payment (or currency equivalent). Payments will only be made in the currency of the bond.

If a regular withdrawal would take the bond to a surrender value lower than the minimum value required to be kept in the bond withdrawals will stop.

SET UP WITHDRAWALS

Please complete if you are not currently taking regular withdrawals from your bond and want to start. Your instructions will be applied to the whole bond including this additional investment.

SECTION 3 – POLICYHOLDER MUST COMPLETE IF THEY WOULD LIKE UTMOST TO FACILITATE ANY ADVISER CHARGE PAYMENTS TO YOUR FINANCIAL ADVISER.

(Evolution or Regular Investment Account only - for all other products, all adviser charges must be paid directly to your adviser).

K ADVISER CHARGES

You should take professional advice before choosing any adviser charging option below as there may be Income Tax and/or Inheritance Tax implications. You must also ensure that the options you choose are compatible with the terms of the trust.

This section should only be completed if you wish to pay adviser charges to your financial adviser for product advice directly from your bond. Such charges should match the information shown in your Personal Illustration that will have been provided to you. You can choose to pay adviser charges in one of the following ways:

› **Direct adviser charge** – The adviser charges are paid by you directly to your financial adviser, in which case you will not need to complete this section.

Or facilitated by us:

› **Outside of the bond** – The initial adviser charge is paid as a flat amount through Utmost before the additional premium is invested into the bond. The premium must meet the minimum additional premium requirements after adviser charges have been deducted.

› **Inside the bond** – The adviser charges are paid to your financial adviser through Utmost either on initial, ongoing or ad hoc basis from the bond, after the additional single premium has been invested.

Please note

Any adviser charges that are facilitated by completing the following pages will be paid from your bond. As these relate to advice to you they will form part of the 5% annual tax-deferred entitlement. This could have potential tax consequences and you should discuss this with your financial adviser before agreeing such payment or making subsequent surrender or withdrawal requests from your bond. Please note tax rules may change in the future and are subject to individual circumstances. You should take professional advice before choosing any adviser charging option below as there may be Income Tax and/or Inheritance Tax implications. You must also ensure that the options you choose are compatible with the terms of the trust.

Adviser charges which you have agreed to pay from your bond can only be made through a partial surrender (withdrawal across all segments).

For detailed information about adviser charges and how these may be applicable to you please see the **Guide to Charges** available on our website www.utmostwealth.com or from your financial adviser on request. Your financial adviser will also be able to answer any questions you may have.

AGREEMENT TO PAY ADVISER CHARGES

Please ensure you fully complete this section, as any omissions may delay our ability to carry out your instructions. Once we have received the application form with this section fully completed, we will, depending on the options you select, make adviser charge payments on your behalf to your financial adviser for the services they provide to you. We will continue to do this until this instruction ends or you tell us to cancel it. Once your additional single premium has been applied we require a month's notice of any changes to adviser charge payments that we facilitate.

Payments must not be taken from your bond in advance of the service being received by you from your financial adviser, and you should remember this when choosing the start date for any ongoing payments.

CANCELLATION OF ADVISER CHARGES

If you want to stop paying adviser charges from your bond you can cancel this Agreement by writing to us. We will cancel any future adviser charges that would be due. We will confirm any instructions to cancel an adviser charge to you and your adviser. You will need to make other arrangements with your financial adviser to pay any outstanding charges, or to discuss the refund of any payments made whilst we process your request.

If you decide to cancel your additional single premium during the cancellation period (please see the **Key Features Document** for details) any refund to you will be less any adviser charges paid on your behalf. If you believe you are due a refund of such payments from your adviser, you will need to contact them direct to discuss the exact terms of the adviser charging arrangement you have with them.

APPLICATION FORM FOR ADDITIONAL SINGLE PREMIUM INVESTMENT
TRUSTEE AND CORPORATE TRUSTEE POLICYHOLDERS

BEFORE YOU BEGIN

Please be aware that through this section, the monetary amount or percentage should be entered **excluding** VAT. If the adviser charge attracts VAT, please tick the relevant box to indicate VAT applies. For example, if the adviser charge is 1% plus VAT, please enter 1% rather than 1.2% assuming 20% VAT is included, and then tick the box to indicate that VAT applies.

INITIAL ADVISER CHARGE

Please select one of the following payment options

Transaction type	Monetary amount*	% of premium
1 Adviser charge to be paid outside of the bond by taking it from the payment, with the remaining balance being invested as an additional premium into the bond	<input style="width: 150px; height: 25px;" type="text"/> . <input style="width: 25px; height: 25px;" type="text"/> <input style="width: 25px; height: 25px;" type="text"/>	N/A
2a) Adviser charge to be taken from the value of the additional single premium	<input style="width: 150px; height: 25px;" type="text"/> . <input style="width: 25px; height: 25px;" type="text"/> <input style="width: 25px; height: 25px;" type="text"/>	or <input style="width: 80px; height: 25px;" type="text"/> %
2b) Does the initial amount to be taken from inside the bond attract VAT?	<input type="checkbox"/> Yes	

* The amount you enter will be deducted in the currency of your bond.

ONGOING ADVISER CHARGE

Please complete the below table if you have agreed with your financial adviser to make a **regular** payment for ongoing advice or services you receive. **Not available for Regular Investment Account.**

1 Please select the frequency of the payments: Yearly Half-yearly Quarterly Monthly

2 Enter details of adviser charge amount in either A) Monetary **OR** B) Percentage

A) Total annual monetary amount* of adviser charge to be taken from the additional single premium

.

If chosen please state the total monetary amount you wish to pay per year. For example, if you wish to pay £200 on a half year basis, the amount you should state here is £400 as the annual total.

OR

B) Total annual percentage of adviser charge to be taken from the value of additional single premium tranche as a proportion of the total bond value

. %

If chosen please state the total percentage of additional single premium tranche you wish to pay per year. For example, if you wish to pay 0.1% on the additional single premium tranche, payable on a half yearly basis, the amount you should state is 0.2% as the annual total. Where a percentage (%) of additional single premium tranche is chosen, the % will be calculated on the frequency of the payment that you've selected and in proportion to the additional single premium amount. For frequencies other than annual, the overall total % for the year may be lower or greater than the % you have chosen because of fluctuations in the bond value.

3 When would you like the adviser charge payments to start?

4 Does the ongoing adviser charge attract VAT? Yes

* The amount you enter will be deducted in the currency of your bond.

K ADVISER CHARGING DECLARATION

Please read this section carefully before you sign it as it affects your rights and creates a legally binding agreement with Utmost Limited in connection with your bond. If you do not understand any aspect of this agreement please ask your adviser to explain its effect to you before you sign the form.

Throughout this declaration, 'We' 'us' and 'our' mean the applicant and 'the Company' means Utmost Limited.

We authorise the Company to pay the adviser charges as set out in this Agreement. Where we have indicated that the initial and/or ongoing adviser charge attracts VAT, we also authorise you to automatically adjust future payments if the rate of VAT changes without any further authority from us.

We understand and accept that where the adviser charge is being facilitated from the bond:

- › The adviser charge will only be paid when there is sufficient value, and assets that can be sold, in the bond to cover the payment in full.
- › If the total withdrawals taken from the bond, including any adviser charge payments, exceeds 5% per annum of the premium paid, then a chargeable event may arise and we or the UK resident Settlor may be subject to UK Income Tax on any excess over the 5% annual tax-deferred entitlement.
- › The adviser charges apply to the additional single premium tranche and will not be reduced if we surrender one or more policy segments, unless we specifically request this to happen at the time of the segment surrender.
- › We can cancel the instruction to pay any future adviser charges due from the bond at any time by writing to the address shown on the back of this form.
- › Until you receive written notification to cancel this instruction, you will continue to make payments to our adviser.
- › If we change the adviser shown in Section J, cancel payment of any adviser charges from the bond, cancel our application for the additional single premium within the cancellation period, assign the bond or any other situation where it is not reasonably possible for you to facilitate a payment it will be our responsibility to settle any outstanding adviser charges directly with our adviser.
- › We should contact our adviser in the first instance to discuss any adviser charges we believe should not have been applied to our bond.
- › We cannot cancel an adviser charge after it has been paid, even if we decide to cancel our additional single premium during the cancellation period, and acknowledge we will need to contact our adviser to discuss whether a refund is payable in full or in part.

Where we request the Company to facilitate an adviser charge payment outside of the bond, we agree and acknowledge that:

- › The facilitation is in consideration of the application for an additional single premium;
- › The payment is subject to our application being accepted;
- › Should this trustee application not proceed then the trust account will be refunded the premium together with the adviser charge and it will be our responsibility to settle any outstanding adviser charges, if any, with our adviser;
- › No interest is payable or owed in respect of adviser charge money held by the Company to either us or our adviser;
- › The adviser charge relates to advice received in connection with the additional single premium.
- › We cannot cancel an adviser charge after it has been paid, even if we decide to cancel the additional single premium during the cancellation period, and acknowledge we will need to contact our adviser to discuss whether a refund is payable in full or in part.

Where the bond is linked to an External Managed Account, We acknowledge and agree that:

- › Any fund based adviser charge payments will be based on the last available fund value for the External Managed Account held in the Company's records.
- › Due to timing differences there may be significant market movements between the date when the Company's records were last updated with the fund value of the External Managed Account and the date the adviser charge is calculated as a percentage of the whole bond value.
- › Where I require any adjustment in adviser charges paid by the Company, the Company will not be responsible for making such adjustments and will liaise directly with the adviser.
- › The actual amounts paid by the Company as adviser charges will be treated as withdrawals from the bond will be used in any chargeable event calculations.
