FUND/CASH DEPOSIT SELECTION

Refer to our website www.utmostwealth.com for details of funds we currently trade in and the relevant fund codes. Any missing information will result in a delay in investment. Requests to invest into any fund in which we have not previously traded will firstly need to go through our Asset Onboarding process. Investment cannot be made until this process is complete.

Where relevant we will purchase accumulation units unless otherwise instructed. If income units are selected, the fund manager will be requested to pay all income as cash which will be credited to the Dealing Account.

Certain funds require completion of the **Investor Declaration form** which is available from your financial adviser on request.

For further information regarding available deposits, speak to your financial adviser.

For further information, contact our Welcome team on **+44 (0)1624 653 251**.

I) NOMINATED FUND TO COVER WITHDRAWALS - GUIDED ARCHITECTURE BASIS ONLY

Only complete this section if you have ticked 'Guided Architecture' within part 2 of page 7.

All deductions (charges, withdrawals etc.) will normally be taken by cancelling units across all funds. If you want to choose a fund to sell units to cover withdrawal payments, provide the full name in the box below.

As there is no Dealing Account, charges for advice & any other bond charges to be paid from the bond will be taken proportionately across all funds.

II) DEALING ACCOUNT - OPEN ARCHITECTURE BASIS ONLY

Only complete this section if you have ticked 'Open Architecture' within part 2 of page 7.

A Dealing Account will be set up if you invest in one or more external funds or in a cash deposit. All transactions (including charges and withdrawals) will go through this Dealing Account and it may become overdrawn from time to time. In these circumstances we will sell sufficient funds to clear the negative debit balance.

Using the box below, indicate which fund you would like us to sell in these circumstances.

If no funds are selected, we will automatically sell units from the fund within the portfolio which is redeemable and has the highest value at the time of sale.

If you choose an external fund to clear a negative debit balance, each sale will be subject to the prevailing dealing fees.
